Title: Building and Construction - Vestfold and Telemark

Description: Nav Vestfold and Telemark invite tenderers to a competition for the procurement of "Auxiliary works building and construction" - A professional and practical course for users with an interest in and desire to qualify for work in the building and construction industry. Nav Vestfold and Telemark shall procure a professional and practical course that shall give registered users the opportunity to qualify for work in the building and construction industry. The course shall offer participants introduction to different disciplines, introduction to practical skills and principles, as well as facilitating the individual expanding their network towards the industry and working up opportunities in the labour market. In addition the course shall give each individual overview of their competence and map the possibilities for further qualifications with certificates of apprenticeship. A framework agreement shall be procured over 2 years, with an option for an extension for a further 1+1 year. The contract is for registered job seekers in the target group in Vestfold and Telemark areas. Course locations are divided into two areas. Tenderers can submit tenders for one or both areas. Sub-contract 1: Area 1 Vestfold, with course location Sandefjord or Tønsberg. Sub-contract 2: Telemark, with course location Grenland (Skien, Porsgrunn or Bamble). The number of participants per execution is 15 per course location. Course implementations can take place parallel to
