Section II: Object

II.1. Scope of the procurement

II.1.1. Title

The Two Counties Trust — Tender for Catering Services

II.1.2. Main CPV code

55524000 School catering services

II.1.3. Type of contract

Services

II.1.4. Short description

The successful supplier will be required to provide catering services for The Two Counties Trust at the following schools:

- Ashfield School,
- The Manor Academy,
- Swanwick Hall School,
- Selston High School.

The Two Counties Trust is a family of academies with a shared ethos, common values and collective goals. The Trust has a clear mission which is to transform the lives of children and young people and to release their potential through excellent education and the opportunity to

acquire new skills. All schools within the Trust are united in their vision to rapidly improve the learning experience of their students and raise the aspirations of the local communities which they serve.

Further information is provided in the SQ documentation.

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 3 705 396,34 GBP

II.2. Description

II.2.3. Place of performance

NUTS code: UKF1 Derbyshire and Nottinghamshire

Main site or place of performance: See II.1.4) Short description UNITED KINGDOM.

II.2.4. Description of the procurement

The Trust is expected to grow in the number of schools becoming part of the Trust during this contract period and the provision of catering services within these schools, when they have joined the Trust, may fall under the scope of this contract.

The successful supplier would be expected to provide the catering service within the additional schools, using the same costing model, ratios, etc. that they applied to their successful financial submission for the Trust, at the point of tender submission. The duration of contract for these schools will not be increased and they will join the contract for the remaining contract period that exists at the point of entry into the Trust.

The contract being tendered is for three years in duration from 1 April 2020 until 31 March 2023, with the option to extend the contract term for a further term of up to 2 years and will operate as a guaranteed performance contract, with the successful supplier offering the schools a guaranteed return/cost per annum for the provision of catering services.

Whilst the Trust prioritises value for money as a key objective of the competitive tender process, the governing body is not obliged to accept the lowest price.

The tender project is seeking to appoint a contractor whose initiative and innovation will be welcomed for the provision of service within the existing facilities for the teaching and support staff and students on roll, all of whom have a focus on the introduction of exciting new food concepts to satisfy a wide range of tastes and dietary requirements. The Trust would wish the successful contractor to review the current range of services offered and make recommendations accordingly.

The contract offered covers the scope for the provision of all catering services within the Schools, which currently includes breakfast, morning break, lunch, all hospitality and free issue requirements. Free School meals and hospitality will be charged based on consumption and at net food cost. Sovereignty of the cash tariff is to remain with the schools for the duration of this contract.

The Two Counties Trust expect the successful contractor to enable the continued development of catering through the provision of an innovative, healthy food service, with fresh, seasonal, locally sourced ingredients being prepared on-site. The Trust expects the successful tenderer to evidence, through their bid, how they shall support and complement its values and support the principles of keeping children safe in education.

The Trust believes that success should be celebrated and that pupils should enjoy their time at school; if lessons are stimulating and challenging then students will love learning. Much time therefore, is spent reviewing and planning schemes of work to ensure that they are differentiated to meet the needs of all students. As a result, the School are very enthusiastic

regarding work experience and apprenticeship proposals and would welcome the input of the successful Contractor.

As a Trust who are continually seeking ways to improve and develop the ethos and environment for students and staff, to give them the facilities they deserve and need to meet the challenges of the 21st Century, any consideration regarding inward capital investment as part of the contractor's tender submission would be welcomed. The School would wish for the contractor to look at making this investment within the existing dining areas, with attention being given to the upgrade of the current cashless systems counter layouts and furnishings and the implementation of a procedure that would assist in producing a reduction of current queuing times.

Further information is provided in the SQ documentation.
