Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: It is a requirement that the tenderer is a legally established company. Tenderer, Norwegian or foreign shall deliver documentation that the company is registered in a trade or business register as prescribed by the law of the country where the tenderer is established. This company registration certificate shall contain who has signature rights for the company.

Norwegian tenderers are required to have fulfilled their tax and VAT payment obligations.

III.2.2. Economic and financial ability

List and brief description of conditions: Credit evaluation/rating, not older than six months, and which is based on the last known fiscal figures. The rating shall be carried out by an officially approved credit rating institution.

We retain the right to collect a credit rating on our own initiative from a reputable rating company. The rating must be at least AA or better, measured against the AAA Soliditet's scale — or equivalent score from another reputable rating company.

Companies without a satisfactory credit rating, newly started companies with a credit rating of AN, individual foreign companies or companies without reporting obligation to the Brønnøysund Register Centre will not always be able to submit a credit rating as documentation that the qualification requirement is satisfied. In such circumstances, they will be able to compensate with a satisfactory guarantee from a bank and/or guarantee from a parent company with a satisfactory credit rating which provides an equivalent security for the implementation ability. These alternative documents must be included with the tender.

Minimum level(s) of standards possibly required: AA.
