5) Additional information about lots

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information

Requirement for security grading of personnel who shall carry out work under the framework agreements. Also, various contingency requirements of the suppliers. See the qualification requirements for further information.

III.1.5. Information about security clearance

III.2. Conditions for participation

III.2.1. Personal situation

Criteria regarding the personal situation of economic operators (that may lead to their exclusion) including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Requirement: The tenderer shall have their tax and VAT payments in order.

Documentation: Tax certificate not older than ix months.

Requirement: The tenderer shall have a well functioning HSE system.

Documentation: Signed HSE self-declaration.

Requirement: The tenderer shall be a legally established company in Norway, with the majority of the board members have Norwegian citizenship, throughout the entire contract period. The value creation and competence related to the deliveries shall be in Norway.

Documentation:

— Norwegian Company Registration Certificate.

— Binding commitment statement regarding the majority of board members holding Norwegian citizenship throughout the lifetime of the contract, as well as shipyards/infrastructure /production means will be located in Norway.

Requirement: Key personnel at the Tenderer and significant sub-contractors must be able to be mobilisation disposed. The tender must be able to deliver during times of peace, crisis, conflict and war.

Documentation:

— Self declaration confirming that the Tenderer's and major/critical sub-contractors key personnel are Norwegian citizens who can be mobilisation disposed.

— List of which personnel (functions, roles) the Tenderer defines as key personnel to carry out the delivery to the Contracting Authority.

Requirement: The tenderer shall have a well functioning organisation and management as well as capacity to fulfil the contract (deliver in accordance with the agreement). NB: Selection of sub-contractors is obligatory for this procurement process and shall in other words not change in regard to preparation of tender offers (since this would be a significant change).

Documentation: Report for the organisation, see the qualification documentation requirement 3.4.4.

Requirement: All personnel who shall carry out work on-board must be able to achieve a security grading of confidential.

Documentation: See the qualification documentation requirement 3.4.5.

Criteria regarding the personal situation of subcontractors (that may lead to their rejection) including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Requirement: Major sub-contractors (>25 % of the delivery) must be Norwegian companies and must be authorised by the Norwegian Armed Services. Minimum 75 % of the delivery should be performed by Norwegian tenderers (the Norwegian Armed Services suppliers not included in the calculation).

NB: Any replacement/change of sub-contractor in the contract period must be pre-authorized by the Norwegian Armed Services.

Documentation: Norwegian Company Registration Certificate for major sub-contractors.

III.2.2. Economic and financial ability

Criteria regarding the economic and financial standing of economic operators (that may lead to their exclusion)

List and brief description of conditions: Requirement: The tenderer shall good financial strength in order to fulfil the framework agreement. The requirement also concerns large sub-contractors (i.e. responsible for >25 % of the scope).

Documentation: See the qualification documentation requirement 3.5.1.

III.2.3. Technical and/or professional capacity

Criteria regarding the technical and/or professional ability of economic operators (that may lead to their exclusion)

List and brief description of conditions:

Requirement: In order for the Contracting Authority to have trust in that one of the Tenderers will be able to fulfil the contract requirements for service, time and cost, the Tenderer must have established, implemented and maintained a quality management system.

Documentation: See the qualification documentation requirement 3.6.1.

Requirement: The tenderer shall have qualified personnel and all involved personnel must be fluent in Norwegian or English.

Documentation: See the qualification documentation requirement 3.7.1.

Requirement: The tenderer shall have good experience from equivalent deliveries.

Documentation: See the qualification documentation requirement 3.7.2.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Restricted

IV.1.2. Information about the limits on the number of candidates to be invited

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

IV.2.2. Information about electronic auction

An electronic auction has been used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

2016036063

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

IV.3.4. Time limit for receipt of tenders or requests to participate

25.8.2017 - 14:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

15.9.2017

IV.3.6. Languages in which tenders or requests to participate may be submitted

Other Norwegian.

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

See the qualification documentation with annexes.

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

7.7.2017
