Activity of the contracting authority: General public services

2. Procedure

2.1. Procedure

Title: BME EEA 2026-02 Framework agreement for operation and maintenance of road lighting installations in Bergen municipality.

Description: The Agency for Urban Environment in Bergen municipality needs to enter into a framework agreement with one tenderer for the operation and maintenance of road lighting installations in Bergen municipality. The framework agreement will also include the operation and maintenance of other electrical installations in the Agency for Urban Environment's areas of responsibility.

Procedure identifier: 623ff65a-7e7b-4f7b-8040-0739db80f9c6

Previous notice: ed8d79d2-3055-42d3-be6d-286bd7b62291-01

Internal identifier: 2026/31213

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The procurement is for the operation and maintenance of electrical installations that the Agency for Urban Environment manages. This mainly concerns lighting installations along municipal roads and in parks. Some minor installations such as fountains and electricity supply in public urban areas will also be included. Furthermore, there will also be administration and planning of work tasks, stand-by, documentation, meeting activities, reporting to the contracting authority, use of the error message system Docrflow, general handling of tasks necessary for operation, maintenance and upgrading of the electrical installations to the Agency for Urban Environment, Bergen municipality. Social responsibility is required in the contract. See the procurement documents for more information.
