The Francis Crick Institute Limited (the Crick) is an exciting project to create a world leading multi-disciplinary biomedical research institute in the heart of London.

The project is supported by 6 of the world's most influential and respected scientific organisations: Cancer Research UK (CRUK); the Medical Research Council (MRC); the Wellcome Trust; University College London (UCL); Imperial College London; and King's College London.

The Crick is intending to procure 3 sizes of carbon dioxide incubators for use in the new Institute building.

The expectation is that between 130 and 200 carbon dioxide (CO₂) incubators will be required over the next year.

3 sizes will be required, with requirements for stacking fixings and additional gases.

The CO₂ incubators will be required at Midland Road, London with 30 required to be delivered from mid July 2016.
