Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: Tenderers must be a legally established company. Documented by a company registration certificate or equivalent.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: Tenderers must have the economic and financial capacity to carry out the assignment. Tenderers must be creditworthy, Score A. Creditworthiness against a guarantee is not accepted. For recently established tenderers, a certificate showing score A/N is sufficient. Documentation requirement: Credit assessment of the tenderer, not older than 6 months from the deadline for receipt of tenders. The evaluation will be based on the last known fiscal figures with an indication of how the credit rating has developed during the last three years. The evaluation must be issued by a company with a credit information licence from the Norwegian Data Protection Authority. See www.datatilsynet.no. The result of the credit appraisal shall be stated as a categorised score (letter of number) against a defined scale. Recently established tenderers must substantiate the financial capacity for the implementation of the assignment or other documentation, e.g. accounting figures and a bank guarantee.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: Tenderers must have experience from similar assignments. For newly founded tenderers, it is sufficient that the proposed key personnel have experience from equivalent assignments. Documentation requirement: An overview of the most important deliveries of goods or services that the tenderer has carried out in the last three years, together with information on the contract's value, delivery date or execution and the name of the recipient.

Requirement: Tenderers must have a functioning quality assurance system/quality management system. Documentation requirement: Description of the tenderer's quality assurance/quality assurance measures.

Requirement: Tenderers must use environmental management measures whilst implementing the contract. Documentation: Description of environmental management measures. A self-declaration on the environmental system attached to the tender documentation can be used as documentation.
