I.4. Type of the contracting authority

Regional or local authority

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Procurement of Equipment Close to Patients (Part 1) and Patient Signalling Systems (Part 2)
Reference number: 2018/1258

II.1.2. Main CPV code

35125100 Sensors

II.1.3. Type of contract

Supplies

II.1.4. Short description

The Værnes region and several municipalities in Trøndelag would like to use systems that support inhabitants' needs and that contribute to good, efficient and seamless health and care services. The possibilities that technology provide contribute to responsible services of good quality for inhabitants. Using the correct systems contributes to increased safety, feelings of accomplishment and independence. We are preparing the public services and strengthening the interaction between the involved interested parties. Technology will be a natural and integrated part of the preventive work and mastering everyday life in the nursing and care sector. The municipalities would like to procure a framework agreement for technological care equipment that is close to the user (part 1). The municipalities would also like to procure a Framework Agreement for patient signalling systems (part 2).

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: yes
Tenders may be submitted for all lots

II.2. Description

II.2.1. Title

Equipment that is close to the user
Lot No: 1

II.2.2. Additional CPV code(s)

35121100 Buzzers, 44521120 Electronic security lock, 31625200 Fire-alarm systems, 71317200 Health and safety services, 35120000 Surveillance and security systems and devices, 35125100 Sensors, 33195000 Patient-monitoring system, 32360000 Intercom equipment, 33100000 Medical equipments, 35121700 Alarm systems

II.2.3. Place of performance

NUTS code: NO062 Nord-Trøndelag
NUTS code: NO061 Sør-Trøndelag
Main site or place of performance: In accordance with annex 3 of the competition.

II.2.4. Description of the procurement

The Værnes region and several municipalities in Trøndelag would like to use systems that support inhabitants' needs and that contribute to good, efficient and seamless health and care services. The possibilities that technology provide contribute to responsible services of good quality for inhabitants. Using the correct systems contributes to increased safety, feelings of accomplishment and independence. We are preparing the public services and strengthening the interaction between the involved interested parties. Technology will be a natural and integrated part of the preventive work and mastering everyday life in the nursing and care sector. The municipalities would like to procure a framework agreement for technological care equipment that is close to the user (part 1). Sub-area 1 — equipment close to the user: The Contracting Authority will enter into up to 3 parallel Framework Agreements for sub-area 1. This is on the assumption that there are a sufficient number of suitable tenderers and tenders in the competition. If there are not 3 qualified participants, the Contracting Authority reserves the right to enter into a contract with one/two qualified tenderers.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/02/2019
This contract is subject to renewal: yes
Description of renewals:
Options:

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes
Description of options:
Will be clarified in the negotiations.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

II.2. Description

II.2.1. Title

Patient Signalling Systems
Lot No: 2

II.2.2. Additional CPV code(s)

35121100 Buzzers, 44521120 Electronic security lock, 31625200 Fire-alarm systems, 71317200 Health and safety services, 35120000 Surveillance and security systems and devices, 35125100 Sensors, 33195000 Patient-monitoring system, 32360000 Intercom equipment, 33100000 Medical equipments, 35121700 Alarm systems

II.2.3. Place of performance

NUTS code: NO062 Nord-Trøndelag

NUTS code: NO061 Sør-Trøndelag

Main site or place of performance: In accordance with annex 3 of the competition.

II.2.4. Description of the procurement

The Værnes region and several municipalities in Trøndelag would like to use systems that support inhabitants' needs and that contribute to good, efficient and seamless health and care services. The possibilities that technology provide contribute to responsible services of good quality for inhabitants. Using the correct systems contributes to increased safety, feelings of accomplishment and independence. We are preparing the public services and strengthening the interaction between the involved interested parties. Technology will be a natural and integrated part of the preventive work and mastering everyday life in the nursing and care sector. The municipalities would like to procure a Framework Agreement for Patient signalling systems (Part 2). Sub-area 2 — a Framework Agreement will be signed with one tenderer for patient signalling systems.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 04/01/2019

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

The tenderer must have the affairs in order with respect to the payment of tax, employer contribution and value added tax (VAT).

- Tax certificate not older than six months,
- Foreign tenderers must submit certificates from authorities equivalent to the Norwegian authorities.

The tenderer shall be registered in a company register, professional register or a trade register in the state where the tenderer is established.

- Norwegian companies: Company Registration Certificate,
- Foreign companies: Verification that the tenderer is registered in a company register, trade register or a commerce register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

The Tenderer must have good economic and financial strength in relation to its operations in general, and in relation to the nature of this procurement.

Minimum level(s) of standards possibly required:

- A credit rating based on the most recent financial figures. The rating shall be carried out by a credit rating company with licence to conduct this service,
- Tenderers must be credit worthy.

If a tenderer has valid reasons for not being able to provide the documentation requested by the Contracting Authority, the tenderer can prove his economic and financial position with any other document that the Contracting Authority deems suitable.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

The tenderer shall have experience from comparable assignments..

A good and well-functioning quality assurance system is required for the services that shall be provided.

Minimum level(s) of standards possibly required:

Description of the tenderer's up to 3 most relevant contracts in the course of the last 3 years.

The assignment description must include a specification of the assignment value, assignment length and the recipient (name, phone number and email address.). The tenderer is responsible for documenting the assignment' relevance through their description. The contractor may do this by including documentation on the skill or experience of the personnel that can be used for this project, including skills or experience that has been acquired while the personnel was in the service of another employer.

Copy of a system certificate issued by accredited certification bodies or equivalent documentation or an account of the tenderer's quality assurance system/quality management system.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Competitive procedure with negotiation

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.4. Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated

IV.1.5. Information about negotiation

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 31/08/2018 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

Norwegian

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: yes

VI.3. Additional information

A dialogue conference has been held — for information and documents see Doffin reference n°: 2018-941031.

VI.4. Procedures for review

VI.4.1. Review body
