5.1.10. Award criteria

Criterion:

Type: Price

Name: Price

Description: Price, calculated from the following: - Weighted tender sum stated in Annex 3, price form 2.5.

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 30

Criterion:

Type: Quality

Name: Quality

Description: Quality of the delivery with emphasis on the following: After a total assessment, the following criteria will be weighted a total of 5%: - The delivery's delivery time, including the tenderer's security that this is maintained. - Plan for the execution of the delivery, including a system for test operation and training of the contracting authority's drivers. After a total assessment, the following criteria will be weighted a total of 35%: - Driver environment, including i.a. entry height, sitting comfort/spaciousness, instrument service, services that

improve HSE and the degree of fulfilment of B-requirements. - The function of the delivery, technical value and operational security in general, including, among other things, technical systems, such as payload/volume of additions, functionality extensions and the degree of fulfilment of B-requirements. - Availability/travel time to a local service workshop and response time for repair services, as well as delivery time for spare parts.

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 40

Criterion:

Type: Quality

Name: Climate and environment

Description: Climate and environment, based on a total assessment of the following: -

Conditions beyond the minimum requirements that ensure lifetime/regularity of the refuse collection vehicle, including access to spare parts, warranty time and terms for the chassis and body, to what extent parts can be repaired/replaced, use of biologically degradable hydraulic oil and any other qualities within climate and environment.

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 30
