Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Møre og Romsdal, Sør-Trøndelag and Nord-Trøndelag, Norway.

NUTS code NO06 Trøndelag

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The Contracting Authority wants tender offers for the delivery of diver inspections on bridges, ferry and express boat quays in the Central Region. The objective of the procurement is to have the elements/structural parts that lie under the water on the relevant bridges and quays inspected, and to obtain updated condition assessments.

Main inspections shall be performed on foundations/erosion prevention under water for 72 bridges, 35 ferry quays and 5 express boat quays in the Central Region.

II.1.6. CPV code(s)

71351924 Underwater exploration services, 71631450 Bridge-inspection services, 98363000 Diving services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

The bridges that shall be inspected in 2016 — 2018 are geographically distributed as follows: Møre og Romsdal (43), Sør Trøndelag (13) and Nord Trøndelag (16). In addition, 35 ferry quays and 5 express boat quays shall be inspected, distributed as follows: 25 ferry quays and five express boat quays in Møre og Romsdal and ten ferry quays in Sør Trøndelag. All ferry and express boat quays shall be inspected in 2016.

A list (bridge list) of objects to be inspected is given in more detail in D.2. The bridge list is not exhaustive, and the tenderer must expect changes regarding the scope of objects to be inspected.

All inspections shall be carried out in accordance with the Norwegian Public Roads Administration's handbook V441 (previously HB 136) 'Inspection Handbook for Bridges'.

Further details of the procurement are stated in the Tender documentation part D 'Description /Requirement Specification'.

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

See the tender documentation.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

See the tender documentation.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

See the tender documentation.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Tax and VAT certificates.

The company's tax affairs must be in order in relation to payment of tax and duties.

Tenderers shall enclose a tax and VAT certificate.

Norwegian companies: The certificate shall be as recent as possible and not older than 6 months old from the tender deadline. The certificate shall be issued by the Norwegian Tax Administration and it can be ordered in Altinn or at the tax collector or the Norwegian Tax Administration.

Foreign companies: In the case of foreign tenderers, certificates shall be presented which substantiate the fact that the tenderer has met the obligations in relation to the payment of tax and duties.

The tenderer must be a legally established company. Documented by Company Registration Certificate.

III.2.2. Economic and financial ability

List and brief description of conditions: Annual Financial Statements for the last three financial years with auditor statements.

Minimum level(s) of standards possibly required: Tenderers shall have the economic basis to execute the contractual works.

III.2.3. Technical and professional ability

List and brief description of conditions:

Overview of the last 3 to 5 and most relevant equivalent assignments carried out during the last 5 years.

Diving Certificates and CV.

Minimum level(s) of standards possibly required:

The tenderer shall have experience from work of the same nature and degree of difficulty.

The diver's competence shall be in accordance with the regulation regarding execution of work, use of work equipment and associated technical requirements (regulations regarding execution of work).

The inspection leader and inspection diver must have relevant engineering education or equivalent education.

Relevant experience from inspections, condition inspections and damage repairs under water can compensate for lacking education.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.1.2. Information about the limits on the number of candidates to be invited

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria
