North Nottinghamshire College invites expressions of interest to submit a PQQ to the college to join the colleges register of Pre-Qualified Training Providers. Against this live register the college will conduct restricted tenders as and when sub-contract training opportunities arise. Suppliers are invited to express an interest in this opportunity at any time. The College wishes to establish a pre-qualified supplier register of suitable training providers to deliver qualifications and/or programmes eligible for funding under the college funding contracts, on its behalf. The sub-contractors should have a track record of the successful sub-contract delivery of qualifications. Please note that a successful PQQ is not a guarantee of a contract being awarded.

North Nottinghamshire College is a medium sized general Further Education college. It serves a community that has approximately one tenth of the population of the county living across one third of Nottinghamshire. The College is based in the district of Bassetlaw in the northernmost district of Nottinghamshire, with a population of approximately 110 000. The area is essentially rural in nature, with two substantial population centres in Worksop and Retford. The College delivers a wide range of FE, Apprenticeships, ESF and Full Cost qualifications and delivers a significant proportion of its provision in conjunction with partners. We have a clear strategic plan to work collaboratively to increase our share of the market to meet government priorities. Our vision is Changing lives, building communities, making a difference.

Expressions of interest should be made to Simeon Forrest (North Nottinghamshire College) via the In-Tend portal.
