II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with several operators

Duration of the framework agreement

Duration in years: 5

In the case of framework agreements, provide justification for any duration exceeding 4 years: The Framework Agreement is for 5 years with an option to extend for a further 2 years and OJEU is being used for voluntary advertising purposes only. This is a Part B service and Contracting Authorities do not bind themselves to the requirements of Part A services. This is a Framework Agreement process similar to the open procedure recognised under EU Procurement Directives, whereby any Provider can apply to be on the Framework Agreement and all who meet the criteria will be awarded a place on the Framework Agreement. There will be no limit on the number of Framework Providers. Additionally, an opportunity to apply for the Framework Agreement will be made at 6 monthly intervals to maximise competition and equal opportunity for Providers.

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT:

Range: between 0 and 515 000 000 GBP

Frequency and value of the contracts to be awarded: Any orders placed under this Framework Agreement will form a separate contract under the scope of this Framework between the Provider and the specific contracting body.

II.1.5. Short description of the contract or purchase(s)

NHS Shared Business Services Limited (NHS SBS) in partnership with Specialist Commissioning Support Service 365 Response are seeking to add Providers to the Framework Agreement for Health and Social Care Transport, for use by or on behalf of UK public sector bodies identified at VI.3, including without limitation, (I) any National Health Service (NHS) Trust, (II) other persons and bodies exercising NHS functions or otherwise providing NHS services (including, but not limited to clinical commissioning groups, commissioning support units, NHS England and foundation trusts) (being other NHS entities), (III) other UK public sector bodies providing non-health services, (IV) private sector entities in the UK and Isle of Man public services sector.

For Providers who failed to meet the application criteria the first time of applying or for any new entrants to the market during the life of the Framework Agreement, the application process will be reopened at 6 monthly intervals and advertised accordingly. This current procurement is the first such 'reopening'.

Please note that applications will be processed as they are received.

II.1.6. CPV code(s)

85100000 Health services, 34114122 Patient-transport vehicles, 60140000 Non-scheduled passenger transport, 60170000 Hire of passenger transport vehicles with driver, 85143000 Ambulance services

Tenders may be submitted for one or more lots

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

This Framework Agreement will provide but not limited to the contracting bodies identified at VI. 3 (and any future successor to these organisations) and associated bodies with a range of Health and Social Care Transport, including but not limited to Urgent Care, Mental Health, Learning Disability, End of Life Care, Acute Hospitals, General Practice, Clinical Commissioning Groups, Community Service Providers, Primary Care, Personalised Packages of Transport for Personal Budget Holders, Community Logistics and any other future transport requirements within the Health and Social Care sector. It offers no guaranteed level of activity or payment to any successful Providers.

The service will be procured against a common service specification split into 30 lots, consisting of geographical areas. All Providers who wish to provide the services are invited to apply and must be able to demonstrate compliance with the evaluation criteria. For Providers who fail to meet the criteria the first time of applying or for any new entrants to the market during the life of the Framework, the application process will be re-opened as a minimum at 6 monthly intervals and advertised accordingly.

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

II.3. Duration of the contract or time limit for completion

VI.3. Additional information

The duration referenced in Section II 1.4 is for the placing of orders. The value provided in Section II 1.4 is only an estimate. We cannot guarantee to successful Providers any business through this Framework Agreement. Spend and volumes may vary throughout the life of the Framework Agreement from the indicative levels given in this notice.

Participants are advised that the services being procured under this Framework Agreement are classified as a Part B service and this is a voluntary OJEU notice and as such is not subject to the obligations of the Procurement Directives but are nevertheless subject to the

general objectives of transparency; equal treatment and non-discrimination.

NHS SBS reserves the right for an electronic auction to be held by the public sector bodies during further competition among the parties to the framework.

The Framework is for 5 years with an option to extend for a further 2 years.

NHS SBS expressly reserves the right (i) not to award any contract as a result of the procurement process commenced by publication of this notice; and (ii) to make whatever changes it may see fit to the content and structure of the tendering competition; and in no circumstances will NHS SBS be liable for any costs incurred by the candidates. If NHS SBS decides to enter into a Framework Agreement with the Providers, this does not mean that there is any guarantee of subsequent contracts being awarded. Any expenditure, work or effort undertaken prior to contract award is accordingly a matter solely for the commercial judgement of potential Providers. Any orders placed under the Framework Agreement will form a separate contract under the scope of this Framework between the Provider and the specific requesting other contracting body. NHS SBS and other contracting bodies utilising the Framework reserve the right to use any electronic portal during the life of the agreement. NHS SBS jointly developed a Framework Agreement with Specialist Commissioning Support Service 365 Response, for use by including without limitation, the following UK, Isle of Man and Scottish bodies (and any future successors to these organisations); Public sector bodies, including any statutory and other successor organisations to any of the foregoing and in addition any other commissioners (whether alone or jointly with any other organisation), Providers and regulators of NHS Funded (either in whole or in part) Services including Clinical Commissioning Groups, NHS England (and all sub national offices including any body).

In addition the following public sector bodies will be able to use the Framework:

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: The Contracting Authority will incorporate a minimum 10 Calendar day standstill period at the point information on the award of the contract is communicated to tenderers. This period allows unsuccessful tenderers to seek further debriefing from the Contracting Authority before the contract is entered into. Such information should be requested from NHS SBS. If an appeal regarding the award of a contract has not been successfully resolved the Public Contracts Regulations 2006 (SI 2006 No 5) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly.
