II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

A new and modern church is planned at Ålgård. The church building comprises two floors totalling 1 550 m², and is planned as a signature building in the city centre, and will accommodate various activities. The congregation is working on a possible extension of the basement by approx. 400 m², to be used for children's and youngster's activities. Service providers shall include option prices for future furnishings/fittings of extension(s). Site: The church shall be built on a site close to the old church in the centre of Ålgård. The site adjoins the cemetery. The excavation work is planned to start up in the Summer of 2013, with completion of the church building during 2015. Norconsult is acting as construction manager. The work shall be implemented as enterprises controlled by construction manager (21 enterprises). This contract comprises wood work, internal works.

Note: To register your interest in this notice and obtain any additional information please visit the Doffin Web Site at http://www.doffin.no/Search/Search_Switch.aspx?ID=302754
