I.4. Type of the contracting authority

Other type: Government

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Domestic transport services, framework agreement

Reference number: 22295

II.1.2. Main CPV code

60100000 Road transport services

II.1.3. Type of contract

Services

II.1.4. Short description

The companies of the Norwegian Metrology and Accreditation Service need to transport measuring equipment and other goods. We have entered into separate agreements for transport related to inspection assignments and initial verification of measuring instruments. Such transport is not a part of the contest. The purpose of this procurement is to enter into a framework agreement with a tenderer for efficient and reliable logistics services for all of our offices for other shipments:

- Transport of small and large domestic consignments
- Access to the booking system for transport assignments - Pick-up agreement for consignments addressed to PO box addresses with delivery to the main office.

We reserve the right to use other companies where necessary due to special needs, lack of capacity, etc.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

63110000 Cargo handling services

II.2.3. Place of performance

NUTS code: NO Norge

NUTS code: NO082 Viken

II.2.4. Description of the procurement

Maximum value including possible options and expected price increases: NOK 2,100,000 excluding VAT. The need is uncertain. The value may vary, and will depend on, among other things, the contracting authority's needs, activities, budgetary situation and other framework factors.

See the procurement documents for further information.

Lots/groups

Tenders cannot be submitted for parts of the assignment, and alternative tenders are not allowed. The contracting authority considered dividing the assignment but has decided that it is not suitable for this type of procurement.

Framework agreement

The assignment will be regulated by the attached framework agreement with the accompanying standard agreement terms.

When using subcontractors, the Metrology and Accreditation Service will deal with the main contractor. Subcontractors must fulfil the same requirements as the main contractor. The use of subcontractors does not release the main contractor from liability under the contract.

The contracting authority expects that the tenderer studies the contractual terms and makes the required internal clarifications in such a way that a contract can be signed if awarded.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/07/2023 End: 30/06/2024

This contract is subject to renewal: yes

Description of renewals:

3 extensions of 12 months each.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tax and VAT certificates

Tenderers must have their tax and VAT payments in order (ESPD: Part II A.e).

Documentation requirement: Requirement for certificate of paid VAT, tax and social security contribution. A certificate issued by the competent authority in the tenderer's country, confirming that the tenderer has met the obligations in regard to payment of VAT, tax and social security contributions in the country where the tenderer/contractor has its headquarters the (Norwegian certificate for Tax and VAT is combined and ordered from altinn.no, RF-1507, previously RF-1244) in accordance with the legislation in the country where the tenderer is registered. The certificate must not be more than six months old.

The contracting authority is not allowed to request the certificate if he has already received it, in accordance with the regulations § 17-1(4). If you have submitted a tax certificate to the contracting authority and it is still valid at the time of the tender submission for this contract the tender submission deadline, for this contest, you are not obliged to submit a certificate now. If this is the case, state when and to whom the certificate was previously submitted. You can, however, attach the certificate voluntarily if you want.

Other economic and financial requirements: Economic and financial standing

Requirements regarding the tenderer's economic and financial standing: The financial capacity to fulfil the contract is required (ESPD: Part IV B.58-3).

Documentation: The contracting authority will assess finances through the company and accounting information system Proff Forvalt (www.forvalt.no). The contracting authority reserves the right to obtain supplementary information about the tenderer's finances.

Any need for support from other companies in order to fulfil this qualification requirement: If the tenderer is dependent on other companies to fulfil this qualification requirement, an account thereof shall be given below. In such cases the contracting authority will assess the finances of the supporting company in the same way. The contracting authority retains the right to collect supplementary information, bank guarantees or similar.
