2. Procedure

2.1. Procedure

Title: Painting and covering services, framework agreement Troms County - RFI

Description: Troms County (henceforth referred to as the contracting authority) shall enter into a new framework agreement for painting and covering services and associated equipment.

Material will also be considered for assignments that the contracting authority shall use for its own activities and shall also be included in the contract. The contracting authority would like to enter into an agreement that covers the need we may have for this type of service in the entire county. This includes, for example, sixth form colleges, official residences and dental clinics.

The contract shall ensure that we achieve cost effective and rational procurements of painting and covering services in accordance with the current laws and regulations. The framework agreement will mainly be used for the procurement of ongoing and operational related services, but it can also be used for some investment projects where it is deemed appropriate.

We are currently in a preparatory phase of the procurement process. As part of the preparation phase, the contracting authority would like to invite all relevant tenderers to comment on the provisional drafts for the requirement specifications, price form and contract terms. The documents are attached to this market dialogue. Emphasis is put on the fact that tenderers shall not fill in the attached tender documents, but give feedback on the questions included in the document "Information on RFI - Framework agreement on painting and covering services" under point 3. Deadline for feedback is 30 April 2026 at 12.00. At the expiry of the hearing deadline, the contracting authority will review received input. The contract will then assess which input could be appropriate to include in the final documents. The Contracting Authority is not obliged to comply with the input, and emphasises that the attached documents are to be seen as provisional drafts. Any questions or needs for an extended deadline shall be sent to the contracting authority via Mercell. Tenderers who register their interest can be contacted by the contracting authority in the preparation phase if there is a need for further clarification. The contracting authority will not reimburse costs incurred for the participation of the hearing.
