Supplementary Non-Emergency Patient Transport (NEPTS) for Mid, South and West Essex CCGs There are 3 main NEPTS providers across Essex. ERS serve Mid Essex, EEAST serve West and a combination of EEAST and Thames serve South Essex. Whilst over 90 % of activity volumes are met by these providers, the CCGs are having to use a number of additional providers at short notice to supplement this provision. At present, this NEPTS activity is sourced from a small number of known PTS providers. The CCGs can sometimes struggle to fulfil the patient journey requirement, therefore are keen to increase this capacity through a dynamic purchasing system framework.
