VII.2. Information about modifications

VII.2.1. Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The contract is being extended until 31 March 2023. In addition the contract will see an increase to the original value equal to 38% of the originally advertised contract.

VII.2.2. Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority /entity could not foresee (Art. 43(1)(c) of Directive 2014/23/EU, Art. 72(1)(c) of Directive 2014/24/EU, Art. 89(1)(c) of Directive 2014/25/EU)

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Redeployment of Welsh Government staff to manage the Welsh Ministers' response to the Covid-19 pandemic. This is in addition to any sickness in the department or employees being away from work due to any shielding obligations or family commitments. These conditions have perpetuated and although it appears that there will be no further lockdowns and business is returning to normal, Welsh Government employees have to be redeployed back to their

usual work and the procurement must be planned. There is insufficient time to properly scope and re-design the service in time for a new procurement to be launched and a new contract awarded prior to the proposed end date. There is also insufficient time to allow for orderly exit and implementation periods as the new service transitions. These circumstances were completely unforeseen by the Welsh Ministers and the extension is being put in place to allow capacity levels within the relevant departments to return to normal and commence a procurement.

VII.2.3. Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications and price adaptations and, in the case of Directive 2014/23/EU, average inflation in the Member State concerned)

Value excluding VAT: 900 000,00 GBP

Total contract value after the modifications

Value excluding VAT: 1 250 000,00 GBP
