#### 2.1. Procedure

Title: 2026009016 Qualification Framework agreement for ship engineering maintenance, support vessels HOS

Description: The framework agreement shall contribute to strengthening the Norwegian Armed Forces operative ability and stand-by through increased capacity for maintenance and upgrade services and the accompanying engineering support by giving the Norwegian Armed Forces access to such services in peace, crisis, conflict and war. The contracting authority shall enter into a framework agreement with a tenderer for maritime engineering maintenance services, repairs, upgrades, modifications and engineering support for support vessels connected to Havnekontoret Haakonsværn Orlogsstasjon (HOS). The objective of the procurement is to maintain technical availability for the stated vessels and new vessels that are added during the agreement. The framework agreement under this procurement functions as a supplement to the Norwegian Armed Forces' internal capacity with separate crews and workshops as well as other framework agreements. See the tender documentation for a complete description.
