I.2. Type of the contracting authority

National or federal agency/office

I.3. Main activity

Health

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting authority

Procurement of an extraction system.

II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

Main site or place of performance: Molde, Norway.

NUTS code NO Norge,NO053 Møre og Romsdal

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

Helse Møre og Romsdal HF would like an extraction system that gives the greatest possible analysis capacity within a cost limit of 960 000 NOK (excluding reagents and consumables). The system/systems must be able to handle extraction from primarily sample tubes and the set up of PCR without a need for manual pipetting. If there is no compatibility with the department's existing PCR instruments, PCR instrument(s) must also be included in the tender in order for the tenderer to be considered.

The main aim of the procurement is to make quick reply times, more efficient operations and reduced operational expenses possible. At the same time top analytical quality is to be maintained.

The Contracting Authority uses Merccell Sourcing Service. To express your interest and gain access to any documents, please click on the link below or copy and paste the link into your browser. [[<http://permalink.merccell.com/52470429.aspx>]]. Then follow the instructions on the website.

II.1.6. CPV code(s)

33100000 Medical equipments

III.2.2. Economic and financial ability

Minimum level(s) of standards possibly required: The tenderer is required to have good finances: The tenderer shall be credit worthy, have sufficient liquidity and low bankruptcy risk. A credit rating shall be presented from a certified credit institution, such as Lindorff or Experian. The assessment must be based on the last known fiscal figures with an indication of how the credit rating has evolved during the past 2 years.

If the tenderer has any valid reasons for not being able to provide the documentation requested by the Contracting Authority, the supplier may prove the financial position with any other document that is acceptable to the Contracting Authority. The tenderer must make written contact with the Contracting authority before the tender deadline in order to clarify which other documentation is acceptable.

III.2.3. Technical and professional ability

Minimum level(s) of standards possibly required:

Experience is required from equivalent or relevant assignments/deliveries. A reference list of the company's most important deliveries in the last three years shall be enclosed with the tender, including their extent, date and recipient. The references will be checked if necessary.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession
