Previous notice: 215668-2020

Previous notice: 470357-2020

Previous notice: 646005-2022

Internal identifier: 20/02476

#### 2.1.1. Purpose

Main nature of the contract: Services

Main classification (cpv): 71351200 Geological and geophysical consultancy services

Additional classification (cpv): 71332000 Geotechnical engineering services, 71351210 Geophysical consultancy services, 71351220 Geological consultancy services, 71351900 Geology, oceanography and hydrology services, 71351910 Geology services, 71351923 Bathymetric surveys services, 71352000 Subsurface surveying services, 71352300

Magnetometric surveying services, 71353100 Hydrographic surveying services, 71354500

Marine survey services, 71355200 Ordnance surveying, 71510000 Site-investigation services

#### 2.1.2. Place of performance

Anywhere in the European Economic Area

#### 2.1.4. General information

Additional information: The applicant must submit a completed ESPD to apply for the Qualifications system. The ESPD for this tender can be found via EU-supply. The ESPD must be completed in EU-Supply and submitted via “My Response”, cf. link in section I.1 in this

notification. Applications not submitted via EU-supply will not be accepted. The Contracting Authority reserves the right to request the applicant to supplement, specify or complete the information submitted. 1) Concerning economic and financial standing: For admittance to the SQS, the Applicant must meet the minimum requirements in the latest annual report listed in the "Guide to SQS" (doc. no. 20/02476) section 3.2.1.1. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.B must also be given in a separate ESPD from each of these entities, cf. section VI.3 "Additional information". It is the sole responsibility of the applicant to secure that the minimum level(s) of standards required are reached when the applicant is relying on the capacity of other entities or when the applicant is a group of economic operators (e.g. a consortium). 2) Concerning technical and professional ability: For admittance to the SQS, the Applicant must meet the minimum requirements listed in the "Guide to SQS" (doc. no. 20 /02476) section 3.2.1.2. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the references of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.C must also be given in a separate ESPD from each of these entities. 3) General: — An applicant participating on its own, but relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor), must ensure that the application includes the applicants own ESPD together with a separate ESPD from each of the entities it relies on with a completed part II: "Information concerning the economic operator" and part III: "Exclusion grounds" of the ESPD as well as the relevant information regarding part IV: "Selection criteria" and part V: "Reduction of the number of qualified candidates". The ESPD from each of the entities should be duly filled and signed by the entities concerned. Further where an applicant wants to rely on the capacities of other entities, it shall prove to the contracting authority that it will have at its disposal the resources necessary, for example, by producing a commitment by those entities to that effect, which must be submitted as part of the final documentation. — Where groups of economic operators, including temporary associations, participate together in the procurement procedure, a complete separate ESPD for each of the participating economic operators must be submitted. Further the final documentation must include a signed declaration by all parties of the group of economic operators (joint venture, consortium or other) stating that all economic operators assume joint and several liabilities towards the Contracting Authority for the performance of the contract as a whole.

**Legal basis:**

Directive 2014/25/EU

**2.1.6. Grounds for exclusion**

Sources of grounds for exclusion: Notice

Corruption: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for corruption, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 3 of the Convention on the fight against corruption involving officials of the European Communities or officials of Member States of the European Union, OJ C 195, 25.6.1997, p. 1, and in Article 2(1) of Council Framework Decision 2003/568/JHA of 22 July 2003 on combating corruption in the private sector (OJ L 192, 31.7.2003, p. 54). This exclusion ground also includes corruption as defined in the national law of the contracting authority (contracting entity) or the economic operator. "

For Danish applicants/tenderers the documentation is entailed in the “Serviceattest” which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible.

Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

**Fraud:** Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for fraud, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? Within the meaning of Article 1 of the Convention on the protection of the European Communities' financial interests (OJ C 316, 27.11.1995, p. 48).

For Danish applicants/tenderers the documentation is entailed in the “Serviceattest” which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

**Money laundering or terrorist financing:** Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for money laundering or terrorist financing, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 1 of Directive 2005/60/EC of the European Parliament and of the Council of 26 October 2005 on the prevention of the use of the financial system for the purpose of money laundering and terrorist financing (OJ L 309, 25.11.2005, p. 15).

For Danish applicants/tenderers the documentation is entailed in the “Serviceattest” which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

**Participation in a criminal organisation:** Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment

for participation in a criminal organisation, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 2 of Council Framework Decision 2008/841/JHA of 24 October 2008 on the fight against organised crime (OJ L 300, 11.11.2008, p. 42). For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Terrorist offences or offences linked to terrorist activities: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for terrorist offences or offences linked to terrorist activities, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Articles 1 and 3 of Council Framework Decision of 13 June 2002 on combating terrorism (OJ L 164, 22.6.2002, p. 3). This exclusion ground also includes inciting or aiding or abetting or attempting to commit an offence, as referred to in Article 4 of that Framework Decision. For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Child labour and including other forms of trafficking in human beings: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for child labour and other forms of trafficking in human beings, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 2 of Directive 2011/36/EU of the European Parliament and of the Council of 5 April 2011 on preventing and combating trafficking in human beings and protecting its victims, and replacing Council Framework Decision 2002/629/JHA (OJ L 101, 15.4.2011, p. 1). For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation

should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Grave professional misconduct: Is the economic operator guilty of grave professional misconduct? Where applicable, see definitions in national law, the relevant notice or the procurement documents.

Misrepresentation, withheld information, unable to provide required documents or obtained confidential information of this procedure: Can the economic operator confirm that: a) It has been guilty of serious misrepresentation in supplying the information required for the verification of the absence of grounds for exclusion or the fulfilment of the selection criteria, b) It has withheld such information, c) It has not been able, without delay, to submit the supporting documents required by a contracting authority or contracting entity, and d) It has undertaken to unduly influence the decision making process of the contracting authority or contracting entity, to obtain confidential information that may confer upon it undue advantages in the procurement procedure or to negligently provide misleading information that may have a material influence on decisions concerning exclusion, selection or award?

Conflict of interest due to its participation in the procurement procedure: Is the economic operator aware of any conflict of interest, as indicated in national law, the relevant notice or the procurement documents due to its participation in the procurement procedure?

Direct or indirect involvement in the preparation of this procurement procedure: Has the economic operator or an undertaking related to it advised the contracting authority or contracting entity or otherwise been involved in the preparation of the procurement procedure?

Breaching of obligations set under purely national exclusion grounds: § 134 a. A contracting entity shall exclude a candidate or tenderer from participation in a procurement procedure if the candidate or tenderer is established in a country that is included on the EU list of non-cooperative jurisdictions for tax purposes and has not acceded to the WTO's Government Procurement Agreement or other trade agreements obliging Denmark to open the public procurement market to tenderers established in that country.

Breaching obligation relating to payment of social security contributions: Has the economic operator breached its obligations relating to the payment social security contributions, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than the country of establishment? For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Breaching obligation relating to payment of taxes: Has the economic operator breached its obligations relating to the payment of taxes, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than the country of establishment? For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from

request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Con-tracting Authority that the time frame for receipt of this docu-mentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign appli-cants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

## 5. Lot

---

### 5.1. Lot: LOT-0000

Title: Supplier Qualification System for Geoscience Services

Description: Energinet intends to establish a Supplier Qualification System (“SQS”) for the procurement of Geophysical and Geotechnical work onshore and offshore. The SQS is intended for the procurement of seven categories: • Category 1: Offshore Geophysical Site Investigations • Category 2: Offshore Geotechnical Site Investigations • Category 3: Offshore Route Survey • Category 4: Onshore Site Investigations • Category 5: Offshore UXO Investigations • Category 6: Offshore UXO Consultancy • Category 7: Offshore Cable and Pipeline Tracking See more details in doc. no. 20/02476-2 “Guide to SQS”.

Internal identifier: 20/02476

#### 5.1.1. Purpose

Main nature of the contract: Services

Main classification (cpv): 71351200 Geological and geophysical consultancy services

Additional classification (cpv): 71332000 Geotechnical engineering services, 71351210

Geophysical consultancy services, 71351220 Geological consultancy services, 71351900

Geology, oceanography and hydrology services, 71351910 Geology services, 71351923

Bathymetric surveys services, 71352000 Subsurface surveying services, 71352300

Magnetometric surveying services, 71353100 Hydrographic surveying services, 71354500

Marine survey services, 71355200 Ordnance surveying, 71510000 Site-investigation services

#### 5.1.2. Place of performance

Anywhere in the European Economic Area

#### 5.1.3. Estimated duration

Other duration: Unlimited

#### 5.1.4. Renewal

Maximum renewals: 0

#### 5.1.6. General information

##### Reserved participation:

Participation is not reserved.

The procurement is covered by the Government Procurement Agreement (GPA): yes

Additional information: The applicant must submit a completed ESPD to apply for the

Qualifications system. The ESPD for this tender can be found via EU-supply. The ESPD must

be completed in EU-Supply and submitted via “My Response”, cf. link in section I.1 in this

notification. Applications not submitted via EU-supply will not be accepted. The Contracting

Authority reserves the right to request the applicant to supplement, specify or complete the

information submitted. 1) Concerning economic and financial standing: For admittance to the

SQS, the Applicant must meet the minimum requirements in the latest annual report listed in the “Guide to SQS” (doc. no. 20/02476) section 3.2.1.1. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.B must also be given in a separate ESPD from each of these entities, cf. section VI.3 “Additional information”. It is the sole responsibility of the applicant to secure that the minimum level(s) of standards required are reached when the applicant is relying on the capacity of other entities or when the applicant is a group of economic operators (e.g. a consortium).

2) Concerning technical and professional ability: For admittance to the SQS, the Applicant must meet the minimum requirements listed in the “Guide to SQS” (doc. no. 20 /02476) section 3.2.1.2. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the references of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.C must also be given in a separate ESPD from each of these entities.

3) General: — An applicant participating on its own, but relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor), must ensure that the application includes the applicants own ESPD together with a separate ESPD from each of the entities it relies on with a completed part II: “Information concerning the economic operator” and part III: “Exclusion grounds” of the ESPD as well as the relevant information regarding part IV: “Selection criteria” and part V: “Reduction of the number of qualified candidates”. The ESPD from each of the entities should be duly filled and signed by the entities concerned. Further where an applicant wants to rely on the capacities of other entities, it shall prove to the contracting authority that it will have at its disposal the resources necessary, for example, by producing a commitment by those entities to that effect, which must be submitted as part of the final documentation. — Where groups of economic operators, including temporary associations, participate together in the procurement procedure, a complete separate ESPD for each of the participating economic operators must be submitted. Further the final documentation must include a signed declaration by all parties of the group of economic operators (joint venture, consortium or other) stating that all economic operators assume joint and several liabilities towards the Contracting Authority for the performance of the contract as a whole.

#### **5.1.9. Selection criteria**

Sources of selection criteria: Notice

Criterion: Financial ratio

Description of selection criterion: For admittance to the SQS, the Applicant must meet the minimum requirements in the latest annual report listed in the “Guide to SQS” (doc. no. 20 /02476) section 3.2.1.1. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.B must also be given in a separate ESPD from each of these entities, cf. section VI.3 “Additional information”. It is the sole responsibility of the applicant to secure that the minimum level(s) of standards required are reached when the applicant is relying on the capacity of other entities or when the applicant is a group of economic operators (e.g. a consortium).

Criterion: References on specified works

Description of selection criterion: For admittance to the SQS, the Applicant must meet the minimum requirements listed in the “Guide to SQS” (doc. no. 20/02476) section 3.2.1.2.

Please note that the minimum requirements are different in the different categories. If the applicant is relying on the references of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.C must also be given in a separate ESPD from each of these entities.

#### 5.1.11. Procurement documents

Address of the procurement documents: [https://eu.eu-supply.com/app/rfq/rwlenrance\\_s.asp?PID=269711&B=](https://eu.eu-supply.com/app/rfq/rwlenrance_s.asp?PID=269711&B=)

#### 5.1.12. Terms of procurement

##### Terms of submission:

Electronic submission: Required

Address for submission: [https://eu.eu-supply.com/app/rfq/rwlenrance\\_s.asp?PID=269711&B=](https://eu.eu-supply.com/app/rfq/rwlenrance_s.asp?PID=269711&B=)

Languages in which tenders or requests to participate may be submitted: English

Deadline for receipt of requests to participate: 30/12/2030 23:00:00 (UTC+00:00) Western European Time, GMT

##### Terms of contract:

The execution of the contract must be performed within the framework of sheltered employment programmes: No

#### 5.1.16. Further information, mediation and review

Review organisation: Klagenævnet for Udbud

Information about review deadlines: Complaints regarding a candidate not being pre-qualified must be filed with The Complaints Board for Public Procurement within 20 calendar days starting the day after the contracting authority has sent notification to the candidates involved, provided that the notification includes a short account of the relevant reasons for the decision. Other complaints must be filed with The Complaints Board for Public Procurement within: 1) 45 calendar days after the contracting authority has published a contract award notice in the Official Journal of the European Union (with effect from the day following the publication date); 2) 30 calendar days starting the day after the contracting authority has informed the tenderers in question, that the contracting authority has entered into a contract based on a framework agreement through reopening of competition or a dynamic purchasing system, provided that the notification includes a short account of the relevant reasons for the decision; 3) 6 months starting the day after the contracting authority has sent notification to the candidates/tenderers involved that the contracting authority has entered into the framework agreement, provided that the notification included a short account of the relevant reasons for the decision.
