Only applies for the qualification requirements that the tenderer requires sub-suppliers in order to

fulfil - including economic and financial position or technical and professional qualifications.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient financial capacity to comply with the contractual obligations

A solidity assessment from an approved credit appraisal agency. The assessment shall be based on the most recent known accounting figures.

The key figures in the accounts must be presented together with an assessment of the tenderer's

payment experience.

Or

Annual accounts for the last two years. These must contain notes, the board's report, and the auditor's report.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have sufficient capacity and competence to carry out assignments under the contract.

- A description of the company's staffing and organisation with regard to delivering in accordance with the

framework agreement's requirements.

- A description of the number of qualified personnel the tenderer has at their disposal for fulfilment of the contract, including an overview of personnel with a certificate of apprenticeship within relevant disciplines.

Tenderers must have good experience from the execution of equivalent deliveries/comparable assignments.

A list with an overview and description of the tenderer's most relevant assignments in the last three

years.

The list/description must, as a minimum, contain:

- Name of customer/recipient
- Scope of the assignment
- Description of the company's role

- The assignment's value
- Delivery dates
- A brief description of the delivery.

Use annex 5 - Reference Form

Tenderers must have good procedures for quality control and HSE.

The documentation must be provided in one of the following ways:

Alternative 1: Description of the company's procedures, with emphasis on quality assurance, resource management, the manager's responsibility and HSE.

Alternative 2: If a tenderer holds ISO 9001:2000 certification or equivalent, this will be sufficient to document fulfilment of the requirement.

The tenderer must consciously work on minimising the impact on the environment through continual

improvements within transport, use of chemicals, energy efficiency, and the working environment.

Tenderers must be able to present a short account, maximum one (1) attached A4 page, that states the tenderer's expressed environmental goals, the status of environmental work in the company, and

planned measures that are relevant for the contract.

If a tenderer is certified according to ISO 14001, Eco-Lighthouse or equivalent standard, a copy of the valid certificate will be sufficient.
