III.1. Conditions for participation

III.1.1.

Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Registered in a trade register or company register.

Tenderers must be registered in a company register or trade register in the member state where the tenderer is established. As described in annex XI of directive 2014/24/EU; tenderers from certain member countries can be required to fulfil other requirements in the mentioned annex.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Credit Rating

Tenderers must have the financial capacity to carry out the assignment/comply with the contractual obligations. Tenderers are required to be credit worthy without guarantee and have satisfactory liquidity and solidity. Documentation requirement: A credit rating based on the most recent fiscal figures. The credit rating must not be older than 3 months. The rating must be carried out by a credit rating agency with licence to conduct such services. The contracting authority can request further documentation as needed.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have sufficient capacity and execution ability to undertake the assignment as well as experience from comparable assignments. Documentation requirement: An overview of the tenderer's total manpower and organisational plan must be attached, as well as a description of the tenderer's 3 most relevant assignments in the last 3 years. The description must include a statement of the assignment, statement of the assignment value, date and recipient (name, telephone and email).

Environmental management measures

Tenderers can utilise the following environmental management measures in connection with the implementation of the contract.
