Title: Prescription d’actions pédagogiques de formation - « Métiers de l’information »

Description: Le marché a pour objet la prestation de formation pour les métiers de l’information. La nature même de l’actualité oblige le personnel à se mettre à jour sur des thématiques souvent émergentes, complexes, ou nouvelles au regard de la formation initiale des journalistes. Les techniques de recherche de l’information, la gestion des sources, la captation ou l’enregistrement des faits d’actualité et la réalisation tout comme les supports de diffusion sont en perpétuelle mutation. L’arrivée des technologies numériques a profondément bouleversé les modalités de production. Il faut donc sans cesse former à de nouvelles compétences les équipes ou l’encadrement éditorial pour offrir des contenus crédibles et innovants dans les émissions d’information.
