---

#### **III.1. Conditions for participation**

##### **III.1.1.**

## **Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tenderers must be a legally established company. Norwegian tenderers: Company Registration Certificate. Foreign tenderers: Confirmation that the tenderer is registered in a trade register or company register in accordance with the law in the country where the tenderer is established.

### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Tenderers must have sufficient financial strength in order to fulfil the contract. The tenderer's annual financial statement including notes with the board and auditor's reports from the last 2 years. If the Annual Financial Statements for the last year are not finished before the tender deadline for this contest expires, the last year's preliminary annual accounts should also be attached. The Contracting Authority reserves the right to carry out a credit assessment. Financial strength is evaluated in relation to turnover, operating profit margin, solidity and liquidity.

### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Tenderers must have good experience from similar deliveries.

Certificates from similar deliveries during the last three years. The certificates must be signed or confirmed in writing by the contracting authority for the different deliveries, and must, as a minimum: include: a short description of the delivery, the date of execution, and the scope of the delivery in monetary value. If it is not possible to acquire signed or verified attestations, the tenderer shall provide a list of all relevant assignments with descriptions according to the above points.

Tenderers must have a good ability to fulfil the contract.

Description of the company's technical resources and the quality methods used. The contracting authority has the right to carry out a quality control at the tenderer and any sub-suppliers in the construction period.

## **III.2. Conditions related to the contract**
