NWP.QTLE.92GP9Z contract for a fully managed ANPR service and maintenance provision to North Wales Police. Contract will be for an initial 12 month period commencing June 2013 with the possibility of further extensions in periods of 12 months to June 2017. This opportunity has been advertised via OJEU under CPV category 50000000 repair and maintenance services. North Wales Police have a number of ANPR Cameras and associated equipment located at

various sites across the North Wales Police geographic area that over the years have been installed and maintained by a variety of suppliers. North Wales Police are now seeking a suitable supplier preferably to provide a;

FULLY MANAGED ANPR SERVICE AND MAINTENANCE PROVISION FOR

- Fixed site equipment,
- Re-deployable equipment

This may be extended to include other ANPR equipment and sites during the course of the contract

A proactive Managed Service 'Lead Supplier' Solution for Service and Maintenance Provision is required. The lead supplier will be responsible for liaising with all subcontractors and system service providers in respect of connectivity, operation and fault identification that MUST include;

- 24/7 fault reporting service:
- Active monitoring of ANPR system:
- Single ownership for fault identification:

The provider shall also be responsible for additional activities that may include for example;

- Identification of suitable location as directed by NWP;
- Specification of equipment to meet NWP requirements at that location;
- Design for the installation of equipment and transmission of data to NWP;
- Liaison with any landowners, local authority representatives, or other persons in respect of the planned works;
- Gaining of any permissions necessary for the installation of equipment (NWP have memorandum of Understanding with Local Authority for certain installations);
- Obtaining and managing the installation of the necessary services for the operation of the equipment.
- Provision of the equipment;
- Provision of the secure data carrier;
- Installation of all of the equipment and data carriers;
- Commissioning of the site.
