#### Direct award

:

Justification for direct award: The contract can be provided only by a particular economic operator because of an absence of competition for technical reasons

Other justification: Energinet has conducted a market dialogue (430949-2025) to identify potential suppliers for the task in question. Based on the market dialogue, Energinet can now conclude that there is only one potential supplier, Permascand AB, that, in the end, has interest in the framework agreement, concerning supply of electrode nets, for the Kontek HVDC interconnector in Denmark. Energinet therefore intends to enter into negotiations with Permascand AB with a view to direct award preannouncement of a framework agreement to Permascand AB for the procurement of HVDC spare part electrode nets for the HVDC interconnector Kontek.
