If an appeal regarding the award of the contract has not been successfully resolved, the Public Contracts Regulations 2006 (SI 2006 No.5) provide for the aggrieved parties who have been harmed, or at risk of harm as a consequence of the breach of the procurement rules to bring an action to the High Court. The Court has the power to set aside the award decision and/or the Contract (if it has been entered into) and may also award damages.
