**I.4. Type of the contracting authority**

Regional or local authority

**I.5. Main activity**

General public services

---

**Section II: Object**

**II.1. Scope of the procurement**

**II.1.1. Title**

Framework agreement for engineering design services for the engineering sector in Risør municipality

**II.1.2. Main CPV code**

71322000 Engineering design services for the construction of civil engineering works

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

Risør municipality has an ongoing need for assistance with engineering design services for projects in the municipality's action plan, in addition to other projects that arise during the contract period. The estimated volume for this contract is approx. 2 000 000 NOK excluding VAT per annum.

The services will consist of assistance with engineering design services and possibly construction management for the construction, alteration and clearance of municipal

engineering installations, such as elevated basins, sewage treatment facilities, water treatment facilities, value housing, sewage pump stations, pressure increasing stations, including control systems, manholes and pipeline installations on land and at sea and No-Dig systems. In addition there will be municipal road installations, sports facilities, bridges, culverts, quay constructions and engineering design services for other ground work in the municipality (e.g. playgrounds, parks, parking, cemeteries, wharfs, etc.) that accompanies ground surveys and other needs that naturally come under the responsibility of the department for engineering services.

#### **II.1.6. Information about lots**

This contract is divided into lots: no

#### **II.1.7. Total value of the procurement**

Value excluding VAT: 9 300 000,00 NOK

### **II.2. Description**

#### **II.2.2. Additional CPV code(s)**

71300000 Engineering services, 71310000 Consultative engineering and construction services , 71311000 Civil engineering consultancy services, 71311300 Infrastructure works consultancy services

#### **II.2.3. Place of performance**

NUTS code: NO041 Aust-Agder

Main site or place of performance: Risør

#### **II.2.4. Description of the procurement**

Risør municipality has an ongoing need for assistance with engineering design services for projects in the municipality's action plan, in addition to other projects that arise during the contract period. The estimated volume for this contract is approx. 2 000 000 NOK excluding VAT per annum.

Risør municipality would therefore like to invite consultant engineering companies to submit tenders for a framework agreement for 2 years, with an option for 1+1 year.

The services will consist of assistance with engineering design services and possibly construction management for the construction, alteration and clearance of municipal engineering installations, such as elevated basins, sewage treatment facilities, water treatment facilities, value housing, sewage pump stations, pressure increasing stations, including control systems, manholes and pipeline installations on land and at sea and No-Dig systems. In addition there will be municipal road installations, sports facilities, bridges, culverts, quay constructions and engineering design services for other ground work in the municipality (e.g. playgrounds, parks, parking, cemeteries, wharfs, etc.) that accompanies ground surveys and other needs that naturally come under the responsibility of the department for engineering services.

#### **II.2.5. Award criteria**

Quality criterion - Name: Quality / Weighting: 50

Price - Weighting: 50

#### **II.2.11. Information about options**

Options: yes

Description of options:

Extension of the framework agreement duration

### **II.2.13. Information about European Union funds**
