Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The procurement falls outside the scope of application of the directive

Explanation:

Competition is absent for technical reasons. The works, supplies or services can be provided only by a particular economic operator for the following reason:

This technology is only available from this supplier as it is an extremely specialist area dealing with heart transplantation from donors after circulatory death. It is a very limited procedure carried out in very low numbers globally. No other suppliers are able to supply this equipment.

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.8. Information about termination of dynamic purchasing system

IV.2.9. Information about termination of call for competition in the form of a prior information notice
