VI.3. Additional information

Reasons for the decision to award: Best fulfillment of the set requirements according to the tender documents.

As described in the published tender documents (price sheets), the total value of the procurement quantity including options (5-year contract period plus 2 + 2-year options) for lot 2 (small bags) was determined by armasuisse. For this purpose, the option quantities announced in the tender documents were extrapolated using the weighted average prices of the three awarded quantity lots. This calculated total value constitutes the maximum award sum for Lot 2 (small bags) and amounts to CHF 23,439,238.55 (excluding VAT).
