The procurement is covered by the Government Procurement Agreement (GPA): no

Additional information: Please consult the document 'User Manual – process Upload Request – Qualification Phase' for more information. A PDF of the request to participate and all requested annexes shall be uploaded on the Coupa Supplier Portal. Each candidate will have to request via procurement@fluxys.com access to the appropriate protected folder on this platform. The requests to participate shall clearly mention the candidate's full name, including the company number, VAT number, full address and legal form. Requests to participate must be structured as follows: 1. Name of Bidder 2. Legal form of company 3. Date of registration 4. Country of registration 5. Registration number 6. VAT number 7. Registered address of company 8. Person(s) authorized to sign contracts (together or alone) on behalf of the company [Surname, forename, title (e.g. Dr, Mr, Ms), function (e.g. Manager...)] 9. Contact person: [Surname, forename, title (e.g. Dr, Mr, Ms), function (e.g. Manager...), phone number, address, e-mail] 10. Requested information about each above-mentioned selection criterion. 11. [...] Legal form to be taken by the group of economic operators to whom the contract is to be awarded. 1. Tenders or requests to participate may be submitted by a group of economic operators who will not be required to adopt a particular legal form prior to the award of the contract. A letter of consent between the members of the group should be included in the request to participate and all the information required under the contract notice should be provided for each member of the group. In the case of a joint tender, all members of the group assume joint and several liability to-wards the Contracting Party for the performance of the contract as a whole, i.e. both financial and operational liability. The operators forming a group must designate one of them as a single point of contact (SPOC) towards the Contracting Party for the administrative, financial and operational management of the contract. Furthermore, the operators forming a group should provide information on the role of each member of the group. After the award, the Contracting Party will sign the contract either with all members of the group, or with the SPOC on behalf of all members of the group, authorized by the other members via powers of attorney. 2. In order to prove its economic, financial, technical or professional capacity, an economic operator may rely on the capacity of other entities,

whatever the legal nature of the link between itself and those entities. The economic operator must prove to the Contracting Party that the necessary resources will be available to it, by delivering a written undertaking by the other entity to that effect.

5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: Average yearly turnover

Description of selection criterion: The candidate must have the necessary economic and financial standing to perform the contract. Proof of the candidate's economic and financial standing may be furnished by one or more of the following references: - the presentation of financial statements or extracts from the financial statements, where publication of financial statements is required under the law of the country in which the economic operator is established; - a statement of the economic operator's overall turnover of the last three financial years available, depending on the date on which the undertaking was set up or the economic operator started trading. Minimum level(s) of standards possibly required: - The candidate must have an average yearly turnover of at least EUR 16.000.000. This criterion applies to the candidate as a whole, i.e. through the combined capacity of all members of the group in case of a group of economic operators.

Criterion: Financial ratio

Description of selection criterion: In reference to financial statements to be provided, the following financial ratios shall be met: • Current ratio (i.e. current assets divided by current liabilities) must be above 0,1; • Solvency ratio (i.e. equity divided by total assets) must be above 1%. In the event the economic operator does not meet the aforementioned ratios and/or the economic operator is not able to provide a parent company guarantee of any other entity pursuant to 5.1.6, it shall provide, latest with Final Offer, an unconditional, irrevocable and first demand bank guarantee as per Belgian law in the amount of 5% of the total value of the contract for each of the conditions breached, guaranteeing the performance by the economic operator of its obligations arising out of this Contract Notice (if the contract were not to be awarded to the economic operator; such bond will be ended during Stand Still period).

Criterion: Professional risk indemnity insurance

Description of selection criterion: The candidate must also provide evidence of relevant professional risk indemnity insurance which must have a minimum coverage of EUR 250.000. Please note that If the candidate is awarded the contract, his professional risk indemnity insurance should be increased to a minimum coverage of EUR 250.000.

Criterion: Relevant educational and professional qualifications

Description of selection criterion: The candidate must provide evidence of the educational and professional qualifications of the undertaking's staff: at least level B2 of language skills in both French and Dutch, according to Common European Framework of References for Languages (CEFR). This criterion applies to each member of the group in case of a group of economic operators.

Criterion: References on specified services

Description of selection criterion: The candidate must provide a list of at least 3 customers in the past 5 years representing each a fleet of minimum 700 vehicles, accompanied by certificates of satisfactory execution.
