Access to the procurement documents is restricted. Further information can be obtained at:

http://www.simap.ch/shabforms/servlet/Search?NOTICE_NR=1140595

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted to the abovementioned address

I.6. Main activity

Other activity: Nagra

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

TBO — Long-term Monitoring Systems

II.1.2. Main CPV code

76490000 Well-completion services

II.1.3. Type of contract

Services

II.1.4. Short description

Part of the deep borehole project (TBO project) is the installation of multi-packer long-term monitoring systems to measure the hydraulic head (groundwater level and groundwater pressure) of designated formations as well as to take groundwater samples from selected deep aquifers. Nagra wishes to award one contract for the supply and installation of multi-packer long-term monitoring systems in three vertical TBO boreholes including reporting. The contract has the option for extension for additional TBO boreholes. A minimum of seven

observation intervals per borehole is planned and their depth is expected to range between approx. 100 – 1200 m.

The following work items are requested:

- supply of multi-packer systems (stand pipe system) including all downhole and surface equipment as well as data acquisition systems,
- installation of all equipment parts in three selected TBO boreholes,
- planning and mobilisation report,
- installation report.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: CH0 Schweiz/Suisse/Svizzera

Main site or place of performance: Northern Switzerland.

II.2.4. Description of the procurement

Part of the deep borehole project (TBO project) is the installation of multi-packer long-term monitoring systems to measure the hydraulic head (groundwater level and groundwater pressure) of designated formations as well as to take groundwater samples from selected deep aquifers. Nagra wishes to award one contract for the supply and installation of multi-packer long-term monitoring systems in three vertical TBO boreholes including reporting. The contract has the option for extension for additional TBO boreholes. A minimum of seven observation intervals per borehole is planned and their depth is expected to range between approx. 100 – 1200 m.

The following work items are requested:

- supply of multi-packer systems (stand pipe system) including all downhole and surface equipment as well as data acquisition systems,
- installation of all equipment parts in three selected TBO boreholes,
- planning and mobilisation report,
- installation report.

II.2.5. Award criteria

Criteria below

Cost criterion - Name: Bid sum in CHF (excluding VAT) / Weighting: 40 %

Cost criterion - Name: Experience and references of the personnel / Weighting: 20 %

Cost criterion - Name: Quality of equipment / Weighting: 25 %

Cost criterion - Name: Planned quality control measures / Weighting: 10 %

Cost criterion - Name: Time schedule / Weighting: 5 %

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/12/2020

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: yes

II.2.11.

Information about options

Options: yes

Description of options:

The operator has the unilateral option to extend the contract on condition that the same pricing is applied and that the same personnel and same equipment are available for the supply, installation and documentation of multi-packer long-term monitoring systems in additional TBO boreholes. The option will be activated separately for each additional TBO borehole with 4 months advance notice before the start of installation. The contractor has no entitlement to a contract extension.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.2. Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3. Technical and professional ability

List and brief description of selection criteria:

S1: References of key personnel for installation of the multi-packer systems.

S2: References of the company for supply and installation of multi-packer systems.

S3: Technical requirements for equipment.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 03/08/2020

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

English

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Tender must be valid until: 31/12/2020

IV.2.7. Conditions for opening of tenders

Date: 04/08/2020 Local time: 23:59

Information about authorised persons and opening procedure: The opening is not public.

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.3. Additional information

Partial offers are not permitted.

Conditions for countries not party to the WTO agreement: None, as far as respective country grants equivalent counter-rights.

Terms of business: The general terms and conditions of Nagra apply (see <https://www.nagra.ch/en/gtc.htm>).

Negotiations:

Basic procedural principles: Nagra assigns contracts only to a bidder who ensures compliance with § 3 SubmD, canton Aargovia.

Additional information: Nagra reserves its right to freely award further, similar tasks related to this basic contract (in accordance to the bid decree of Canton of Aargau § 8, Abs. 3, lit. i).

Procedures for appeal:

- 1) An objection against this call for tender can be made within 10 days from its publication at the Administrative Court of Canton of Aargau, Obere Vorstadt 40, 5001 Aarau. The deadlock of deadlines in accordance to the Swiss civil procedure law does not apply in this case;
- 2) The objection has to be submitted in written form and should contain a motion and a justification. This includes:
 - (a) the indication on how the Administrative Court should decide;
 - (b) and to demonstrate on which grounds this decision should be made.
- 3) An objection which does not comply with the requirements described under Points 1 and 2 will not be taken into consideration;
- 4) The contested tender should be specified and all the possible evidence should be described and enclosed whenever possible. The objection has to be signed;
- 5) The contestant has to assume that a cost risk is associated with any objection: as a general rule, the losing party shall bear the procedural costs and, if applicable, the attorney fees of the adverse party.

Deadline/Remarks: bids must be sent to Nagra no later than on the deadline for submitting offers (postmark is decisive). Late bids will not be evaluated and will be excluded from the process. The fully completed and validly signed bid must be submitted in two hard copies (one original and one marked colour copy) together with all the required attachments. In addition, a USB stick containing the complete bid must be submitted. In the case of any discrepancies between the electronic and the hard copy, the signed bid on paper shall be valid. Due to the current situation (Covid-19 pandemic) the documents must, additionally to the hard copy version, be delivered electronically (by stated deadline for submitting offers) to the following E-mail address: george.wewerka@nagra.ch.

Remarks (desired deadline for questions in written form) questions regarding the tender can be sent in English to the forum of www.simap.ch until 6 July 2020. Questions arriving after this deadline will not be answered. The answers will be published in the same forum.

National reference publication: SIMAP of 18.6.2020, doc. 1140595. Desired deadline for questions in written form: 6 July 2020.

Documents of the invitation to tender are available from 18 June 2020 until 3 August 2020.

VI.4. Procedures for review

VI.4.1. Review body

Official name: Bundesverwaltungsgericht

Postal address: Postfach

Town: St. Gallen

Postal code: 9023

Country: Switzerland

VI.5. Date of dispatch of this notice

18/06/2020
