List and brief description of conditions: a) An independent statement proving that the applicant is not bankrupt or being wound up; that its affairs are not being administered by the court; that it has not entered into an arrangement with creditors; it has not suspended business activities or that it is not in any analogous situation arising from a similar procedure under national laws and regulations or that it is not the subject of proceedings for a declaration of bankruptcy, for an order of compulsory winding up or administration by the court for an arrangement with creditors, nor is it the subject of any other similar proceedings under national laws and regulations.

b) An independent statement from the appropriate authority in the country of origin in which the applicant is established to the effect that all obligations relating to the payment of social security contributions have been paid in accordance with the legal provisions of the said country.

c) An independent statement from the appropriate authority in the country of origin in which the applicant is established to the effect that all obligations relating to the payment of taxes in accordance with the legal provisions of the said country.

d) A statement from the applicant that it is willing to enter into a contract under English Law.

e) A statement from the applicant that the applicant or any of its officers is not subject to criminal proceedings in any jurisdiction.

f) A statement from the applicant that, in the past 3 years, it has not had a contract terminated or failed to receive contract renewal on the basis of unsatisfactory performance.

g) Applicant shall confirm that, to the best of its knowledge, it is not in breach of any of the provisions of Regulation 23 of the Public Contracts Regulations 2006 (as amended).

III.2.2. Economic and financial ability

List and brief description of conditions: Applicant shall provide audited Company and Parent Company Annual Report & Financial Statements for the previous 2 years plus, if available, the latest interim results. (Where applicable similar information shall be provided for each joint venture/consortium partner). The evaluation of the responses will take into account any significant concerns in the accounts, including turnover thresholds (in relation to a specific business area or overall turnover) and trading results, their trends, cash movements and Balance Sheet strengths and weaknesses. Submissions that fail to meet these standards and give rise to any such significant concerns will be assessed as not meeting the minimum standards and will be excluded from the process.

III.2.3. Technical and professional ability

List and brief description of conditions:

a) Applicant shall provide proof that its Manufacturing capability includes the following skill sets: fabrication, machining, welding, welding inspection, NDT.

b) Applicant shall confirm that personnel within their Organisation have recent experience in manufacturing similar products to those outlined in the Tender document.

c) Applicant shall confirm and provide evidence that they have a fully documented process to select and assess the competencies of personnel (incl. relevant qualifications) within their manufacturing and engineering disciplines.

d) Applicant shall provide evidence that it is formally certified and/or operates in accordance with a quality system complying with ISO 9001:2008 or equivalent. Applicant is to provide copies of applicable ISO 9001:2008 certificates or other quality management system certificates held.

Where applicant has no formal third party certification to ISO 9001:2008 (or equivalent) but operates to formal management systems, details of the systems being applied shall be provided for consideration.

NB: Should the Applicant be invited to tender INS reserves the right to seek further Quality Assurance / Environment Health & Safety information (e.g. completion of questionnaire) and may audit the Applicant against the requirements set out in the tender specification.

e) Applicant shall provide a copy of their EH&S policy/statement.

f) Applicant shall provide accident statistics/rates and summary of any recordable and reportable injuries, diseases and dangerous occurrences, etc. (e.g. under RIDDOR or international equivalent) and any environmental events/incidents for the last 3 years.

g) Applicant shall provide details of any enforcements from statutory regulators (HSE/EA etc. or international equivalent) to which the applicant has been subjected within the last 3 years. If applicant has had NO enforcements, state this fact clearly in the tender return.
