Section II: Object of the contract

II.1. Description**II.1.1. Title**

New building Fjerdum primary school in Gausdal.

II.1.2. Type of contract and place of performance or delivery

Works

Design and execution

Main site or place of performance: Østre Gausdal.

NUTS code NO022 Oppland

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**II.1.4. Short description of the contract or purchase(s)**

The project comprises a primary school and additions with two extensions for the existing part from 1980. The extensions are called 'building 1' towards the north/east and 'building 2' towards the south/west. The original part from 1923 against the nursery in the south/west shall

be demolished and cleared.

The project includes the further development and upgrading of a footpath and access road with car parks and a roundabout turning area. New bus lay-bys shall be developed south east of the school.

The contract includes moving a transformer and altering the main electricity feed.

Fjerdum nursery will be affected by the development as the part that shall be demolished is currently connected. The nursery shall be in operation during the entire construction period and consideration shall, therefore be taken to the nursery in all phases of the work.
