VI.3. Additional information

Participation in the tendering procedure may only take place by electronic means via the electronic tendering system used by the contracting entity, see the address set out in section I. 3). The tendering procedure may be accessed under the tab 'Ongoing public procedures'. For access to the procurement documents, the tenderer must be registered or register as a user. If the tender contains several versions of the same document, the latest uploaded version will apply.

All communication in connection with the tender procedure, including questions and answers, must be by way of the electronic tendering system. Questions must be submitted not later than 3 February 2020. Questions asked after this date will be answered if they are received in time for the contracting entity to provide the information required and communicate the answers not later than 6 days before expiry of the application deadline. Questions received later than 6 days before expiry of the deadline cannot expect to be answered.

Interested applicants are requested to keep updated via the electronic tendering system. If the applicant encounters problems with the system, please contact support by email, dksupport@eu-supply.com or telephone (+45) 70208014.

The applicant must as its application submit an ESPD as preliminary documentation of the circumstances set out in section 148(1) paras (1)-(3) of the Danish Public Procurement Act (udbudsløven). For groups of applicants (e.g. a consortium), a separate ESPD must be submitted for each participating applicant. If the applicant relies on the capacity of other entities to fulfil the minimum requirements, an ESPD must be submitted for each of the entities on which the applicant relies.

The applicant must also submit a letter of commitment from the entity/entities on which the applicant relies to fulfil the minimum requirements. The form is enclosed as an attachment to this contract notice.

Before the decision to award the contract is made, the applicant to whom the contracting entity intends to award the contract must provide documentation of the information submitted in the ESPD pursuant to sections 151-152, cf. section 153 of the Danish Public Procurement Act. As regards section II.2.6), it should be noted that the amount is an estimate of the expected contract price for the entire duration of the contract, including the price of all options. The estimate is based on The suppliers price — Appendix 2 of the framework agreement using the potential quantity of present weather sensors and an estimated price per unit.

VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

Pursuant to the Danish Act on the Complaints Board for Public Procurement, etc. (lov om Klagenævnet for Udbud m.v.) (the Act is available (in Danish) at www.retsinformation.dk), the following deadlines apply to the lodging of complaints:

Complaints for not having been selected must be submitted to the Danish Complaints Board for Public Procurement before the expiry of 20 calendar days, see section 7(1) of the Act, from

the day after submission of notification to the candidates concerned of the identity of the successful tenderer where the notification is accompanied by an explanation of the grounds for the decision in accordance with section 2(1), para (1) of the Act and section 171(2) of the Danish Public Procurement Act.

In other situations, complaints of award procedures, see section 7(2) of the Act, must be lodged with the Danish Complaints Board for Public Procurement before the expiry of:

1) 45 calendar days after the contracting authority has published a notice in the Official Journal of the European Union that the contracting authority has entered into a contract. The deadline is calculated from the day after the day when the notice was published.

2) 30 calendar days calculated from the day after the day when the contracting authority has notified the candidates concerned that a contract based on a framework agreement with reopening of competition or a dynamic purchasing system has been entered into where the notification has included an explanation of the relevant grounds for the decision.

3) 6 months after the contracting authority entered into a framework agreement calculated from the day after the day when the contracting authority notified the candidates and tenderers concerned, see section 2(2) of the Act and section 171(4) of the Danish Public Procurement Act.

4) 20 calendar days calculated from the day after the contracting authority has submitted notification of its decision, see section 185(2) of the Danish Public Procurement Act.

Not later than at the time of lodging a complaint with the Danish Complaints Board for Public Procurement, the complainant must notify the contracting authority in writing that a complaint has been lodged with the Danish Complaints Board for Public Procurement and whether the appeal was lodged during the standstill period, see section 6(4) of the Act. In cases where the complaint was not lodged during the stand-still period, the complainant must furthermore indicate whether a suspensory effect of the complaint has been requested, see clause 12(1) of the Act.

The email address of the Complaints Board for Public Procurement is set out in section VI.4.1). The Complaints Board's own complaints procedure is available at www.erhvervsstyrelsen.dk
