2.1. Procedure

Title: Transport of Hazardous Waste

Description: Karmøy municipality announces a tender contest for the transport and treatment of hazardous waste. The contract will be valid for 2 years, with an option for 1+1 year.

Procedure identifier: 684af37c-f6eb-41b1-a6d3-2218346fb81e

Internal identifier: 26/3338

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: Karmøy municipality received 176 tonnes of hazardous waste in 2025. The composition is in the price form. The contracting authority expects an increase in the future due to new building and reception facilities. The estimated values for each fraction are described in the price form. These estimates are based on historical figures from 2025, and an increase must be expected in the coming years. Karmøy municipality opened a new recycling station 28 Nov. 2025 and now has a beautiful and modern reception of hazardous waste. The reception will always be staffed during opening hours. The reception is served by personnel with a certificate of apprenticeship in the recycling discipline or by operators who have completed relevant courses and training at least level 2. The facility is operated as a municipal disposal site for hazardous waste and in accordance with the waste regulations, chapter 11. We currently receive FA from both households and business customers in the municipality.
