Norway – Snow-clearing services – Snow clearing and gritting on municipal road areas

OJ S 82/2026 28/04/2026

Contract or concession notice – standard regime

Services

1. Buyer

1.1. Buyer

Official name: Bærum kommune

Email: ida.solaas@baerum.kommune.no

Legal type of the buyer: Body governed by public law, controlled by a local authority

Activity of the contracting authority: General public services

2. Procedure

2.1. Procedure

Title: Snow clearing and gritting on municipal road areas

Description: There is a need for 24 hour stand-by in the winter season every year for snow clearing, milling and gritting on five routes: lot 8, 20, 33, 41 and 50. The services that are set up on days outside the stand-by period can be required. The requirements for stand-by and set response and execution times apply, however, only for stated periods. See the contract's annex 1 Contract provisions part B Special contract provisions for further description of assignments and requirements for execution, as well as the requirements for vehicles, machines and equipment. The areas of the area are scattered in the municipality. The nature of the routes are of different types. See the overview here and annex 4 Route list for details.

Procedure identifier: 40f9761d-3f1f-4fa9-97c3-749b34cf6578

Internal identifier: 2026/9740

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The contracting authority intends to enter into one or several agreements for services for one or several routes. This applies for lots 8, 20, 33, 41 and 50. See the tender documentation for further information. The terms of the agreement will be regulated by the attached contract. Only one contract shall be signed per area, mao. no more contracts associated with a lot. The contract period for the contracts is from 01.10.2026 to and including 30.09.2029, i.e. 3 years and 3 winter seasons, with an option for a 1 year (1 winter season) up to and including 30.09.2030. The maximum contract length, including option years, will be 4 winter seasons over 4 years. The option for an extension will be automatically taken up unless the contracting authority notifies the tenderer in writing that the option will not be taken up by 1 May 2029.

2.1.1. Purpose

Main nature of the contract: Services

Main classification (cpv): 90620000 Snow-clearing services

Additional classification (cpv): 90600000 Cleaning and sanitation services in urban or rural areas, and related services

2.1.2. Place of performance

Country subdivision (NUTS): Akershus (NO084)

Country: Norway

2.1.4. General information

Legal basis:

Directive 2014/24/EU

Anskaffelsesforskriften - See the tender documentation and annexes.

2.1.6. Grounds for exclusion

Sources of grounds for exclusion: European Single Procurement Document (ESPD), Notice Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a enforceable verdict has been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, Involving European Communities or European Union Member States (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Fraud: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Money laundering or terrorist financing: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Participation in a criminal organisation: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on control of organised crime (EUT L 300 of 11.11.2008, p. 42)

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes

incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Child labour and including other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Breaching of obligations in the fields of environmental law: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching of obligations in the fields of labour law: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching of obligations in the fields of social law: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Agreements with other economic operators aimed at distorting competition: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Misrepresentation, withheld information, unable to provide required documents or obtained confidential information of this procedure: Have the tenderer:a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met,b) failed to provide such information,c) subject to immediately submitting the supporting documents requested by the Contracting Authority, ord) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflict of interest due to its participation in the procurement procedure: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Early termination, damages, or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Breaching of obligations set under purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Breaching obligation relating to payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Breaching obligation relating to payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Bankruptcy: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Arrangement with creditors: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Assets being administered by liquidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Analogous situation like bankruptcy, insolvency or arrangement with creditors under national law: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.
