### 2.1. Procedure

Title: Accounting Services

Description: The competition is for the provision of accounting services. The procurement's value is estimated to: NOK 1,300,000 excluding VAT, including an option for an extension. The volume is an estimate and is not binding for the contracting authority. See the procurement documents for further information. ENVIRONMENT: This procurement is, in its nature, considered to have an immaterial impact on climate and the environment, cf. the regulations §7-9, fifth paragraph. The justification for this is that the procurement is for consultancy services/consultancy services where the contracting authority has been cut off from affecting climate and environmental impact, as the requirements and criteria that are aimed at these elements will not have sufficient connection to the delivery, cf. DFØ's environmental supervisor. APPRENTICE: The contracting authority has assessed the procurement against the apprentice regulations, cf. the Procurement Act § 7 and concluded that there is no requirement for apprentices in this procurement as disproportionately is considered, as there is a need for specialised competence that an apprentice cannot be expected to hold, cf. the apprentice regulation § 6 (4).
