Version of the previous notice to be changed

:

602eb1f7-5408-4a0e-9fa0-0e1be09e7021-01

Main reason for change

:

Information updated

Description

:

The contracting authority has undertaken a revision of the tender documentation. The alteration means that the qualification requirements connected to the local sales place and local connection to the branded workshop have been removed. The requirements for availability, delivery, service and follow-up will instead be regulated in the requirement specifications as functional requirements for the deliveries. The reason for the change is to ensure better proportionality and increased competition, at the same time that the contracting authority's need for practical implementation is taken care of.
