Opportunity to provide a Healthy Communities Collaborative CVD prevention and Cancer Awareness Programme in Salford.

NHS Salford (the Commissioner) invites participation from suitably qualified organisations to be the Lead Provider to coordinate and manage a Healthy Communities Collaborative programme focusing on CVD prevention and cancer awareness in local communities.

The appointed Lead Provider will work in partnership with the Commissioner, key stakeholders and local communities as part of a collaborative approach.

The role and responsibility of the Lead Provider will be critical in building on the existing learning from the pilot work locally, regionally and nationally.

The Lead Provider will need to demonstrate the ability to provide leadership and management for the HCC and to have sufficient local knowledge of Salford to ensure the programme works as part of a wider CVD and cancer service pathway.

The core components of the HCC CVD prevention and Cancer awareness programme include:

- support and contribute towards the achievement of Salford's CVD/Cancer targets by supporting and working as part of a wider CVD health check/cancer early diagnosis system,
- raising awareness of cancer signs and symptoms and encourage anyone with concerning symptoms to see their GP,
- encourage take up of CVD health checks,
- recruit, train and support a pool of local volunteers/ champions as part of the strategy to scale up the HCC engagement and collaborative approach.
