5.1.9. Selection criteria

Sources of selection criteria: European Single Procurement Document (ESPD), Notice

Criterion: Enrolment in a trade register

Description of selection criterion: Requirement: Tenderers shall document that the company is legally established and registered in a company register or a commerce register in the member state in which the tenderer is established. Documentation requirement: Tenderers shall document this by presenting documentation that shows that the tenderer is registered in a trade register, trade register or other company register as prescribed by the law of the country where the tenderer is established, for example the Brønnøysund Register Centre. National tenderers substantiate that the requirement is met by using eBevis. It is, therefore, not necessary for national tenderers to upload further documentation.

Criterion: Other economic or financial requirements

Description of selection criterion: Requirement: Tenderers must have their tax, payroll tax and VAT payments in order. Tenderers must not have significant arrears. Documentation requirement: The certificate must not be more than six months old. The certificate must not be older than six months calculated from the deadline for receipt of tenders. Tenderers from other EEA countries, countries included in the GPA contract or a free trade agreement with EFTA /Norway shall enclose equivalent certificates or other statutory documentation from equivalent authorities in the country where the tenderer has its headquarters. National tenderers substantiate that the requirement is met by using eBevis. It is, therefore, not necessary for national tenderers to upload further documentation. Criterion: Environmental management measures

Description of selection criterion: Requirement: Tenderers shall have a functioning and well documented environmental management system. Documentation requirement: EMAS certification certificate, ISO 14001 certification, Eco-lighthouse programme or equivalent certificates issued by bodies in other EEA countries. Other documentation will be accepted if they show procedures and measures that are sufficient to take into account and reduce the damaging environmental impact of the procurement. Other documentation must as a minimum contain: Approved guidelines that give a clear indication of what environment and climate ambitions the tenderer would like to achieve. - The tenderer's mapping of the company's impact on the environment and the accompanying risks and possibilities connected to them.

Criterion: Subcontracting proportion

Description of selection criterion: Tenderers can use the capacity of other companies for this contract to fulfil the requirements for economic and financial capacity, cf. the Public Procurement Regulations § 16-3 and technical and professional qualifications, cf. the Public Procurement Regulations § 16-5. Other companies/sub-suppliers are entities with an organisation number different from the tenderer. If a tenderer will use other companies' capacity, the tenderer shall document that the tenderer prevails over the necessary resources, e.g. by enclosing a commitment statement from these entities, cf. the Public Procurement Regulations § 16-10 (2). The contracting authority shall check that the entities that the tenderer will use fulfil the relevant qualification requirements and that there are no other

reasons for rejection, cf. the Public Procurement Regulations § 16-10 (3). Tenderers shall submit separate ESPD forms for the relevant sub-suppliers. The ESPD forms are attached to the tender contest as structured documents. The relevant sub-suppliers shall reply to the ESPD form themselves.
