Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Minimum level(s) of standards possibly required:

Credit assessment based on the most recent accounting figures. The contracting authority carries out its own credit assessment via Bisnode.

If the tenderer does not fulfil the rating requirement, financial

implementation ability must be documented. Relevant documentation can be the accounts,

auditor's report, annual reports, financial plans or operational guarantees from a bank or

parent company. The contracting authority will decide, based on the received documentation,

whether a tenderer is qualified for

participation in the contest.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from comparable assignments.

Minimum level(s) of standards possibly required:

Description of up to three of the tenderer's most relevant deliveries during the last three years.

The description must include a statement of the assignment value, dates and recipients

(name, telephone number and e-mail address). It is the tenderer's responsibility to confirm

relevance through the description.

Section IV: Procedure
