Tenders or requests to participate must be submitted electronically via: <https://permalink.mercell.com/103417085.aspx>

I.4. Type of the contracting authority

Regional or local agency/office

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Open Tender Competition Part III Framework Agreement for Engineering Design Services

Case: 19/1088

Reference number: 19/1088

II.1.2. Main CPV code

71240000 Architectural, engineering and planning services

II.1.3. Type of contract

Services

II.1.4. Short description

Bø, Sauherad and Nome municipalities wants tenders for a Framework Agreement for architect and advisory services.

Bø and Sauherad municipalities will merge from and including 1.1.2020. This means that Bø and Sauherad municipalities and their organisation numbers will no longer exist, from and including 31.12.2019. Bø and Sauherad municipalities will be replaced by a new municipality; Midt-Telemark municipality, with organisation No 920 297 293 from and including 1.1.2020. The change of name to Midt-Telemark municipality and the new organisation number of the new municipality will not affect the contract, and the contract will continue within the Framework Agreement period unabated/without signing a new contract.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

II.2.3. Place of performance

NUTS code: NO034 Telemark

Main site or place of performance: Bø municipality.

II.2.4. Description of the procurement

The assignment:

Bø, Sauherad and Nome municipalities (the Contracting Authority) are in development, and need a Framework Agreement for architect and advisory services. The estimated need for architect and advisory services is around 2 500 000 NOK — 3 000 000 NOK per year.

Emphasis is placed on the investment budgets at any given time depending on the annual grants and the total volume can vary during the contract period. The amount is therefore an approximation and is not binding. The majority of the assignment needing architect and advisory services are new construction, reconstruction, Water and Sewage and roads, etc. The projects can have different organisation, and contract forms.

The assignments include all necessary disciplines from preparation of feasibility studies, complete preliminary project with calculations, tender documentation for turnkey and execution contracts, detailed engineering design, applications/case papers, etc.

Bø municipality and Sauherad municipality will merge from and including 1.1.2020. This means that Bø and Sauherad municipalities and their organisation numbers will no longer exist, from and including 31.12.2019. Bø and Sauherad municipalities will be replaced by a new municipality; Midt-Telemark municipality from and including 1.1.2020.

Bø municipality, org. No 962 276 172

Nome municipality — org. No 964 963 371

Sauherad municipality, org. No 964 963 460

Midt-Telemark municipality — org. No 920 297 293 (from and including 1.1.2020)

Sub-tenders:

The Framework Agreement is divided into nine disciplines, and the Contracting Authority intends to enter into multiple Framework Agreements in each discipline. The tenderer can therefore offer 1 or more disciplines.

NB: For larger projects, over 500 000 NOK excluding VAT, the municipality retains the right to announce competitions outside of the Framework Agreement.

The duration of the Framework Agreements is 2 years, with the possibility of extending the contract for 1 year + 1 year, a total of 4 years.

Important dates:

The Contracting Authority has set up the following time frames for the process:

Activity date:

Deadline for asking questions about the tender documentation 19.8.2019, 12:00.

The tender submission deadline is 26.8.2019, 12:00.

Evaluation: week 35.

Information about the supplier selection: week 35.

Expiry of the waiting period (10 days after information about the selection supplier is sent): week 37.

Contract signing: week 37.

Abidance deadline of the tender: week 50.

It should be noted that the deadlines for delivery of tenders are preliminary. Any extension of the abidance deadline can only occur with the tenderer's agreement.

Disciplines:

The Contracting Authority wants tenders for engineering design, and the engineering design group will cover the follow disciplines (possibility collect from sub-consultants):

— architect/civil architect (ARK),

— landscape architects (LARK),

- area planner,
- consulting civil engineer (RIB),
- consulting HVAC engineer (RIV),
- consulting engineer, water, sewage and surface water (RIVA),
- consulting electrical engineer (RIE),
- consulting road planning engineer (RIVei),
- consulting fire engineer RIBr.

See the attached tender documentation and requirement specifications.

II.2.5. Award criteria

Criteria below

Quality criterion - Name: Quality / Weighting: 40

Quality criterion - Name: Environment / Weighting: 20

Price - Weighting: 40

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 09/09/2019 End: 08/09/2021

This contract is subject to renewal: yes
