III.1.2. Economic and financial standing

List and brief description of selection criteria:

The candidate must have the necessary economic and financial standing to perform the contract:

1) Proof of the candidate's economic and financial standing may be furnished by one or more of the following references:

— the presentation of financial statements or extracts from the financial statements, where publication of financial statements is required under the law of the country in which the economic operator is established,

— a statement of the economic operator's overall turnover of the last 3 financial years available, depending on the date on which the undertaking was set up or the economic operator started trading;

2) The candidate must also provide evidence of relevant professional risk indemnity insurance.

Minimum level(s) of standards possibly required:

1) The candidate must have an average yearly turnover of at least 1 000 000 EUR.

This criterion applies to the candidate as a whole, i.e. through the combined capacity of all members of the group in case of a group of economic operators.

In addition, the ratio between assets and liabilities must be above 1.2 (or via bank guarantee if ratio is insufficient).

This criterion applies to each member of the group in case of a group of economic operators.

The legal name(s) of the bank(s) that will provide the bank guarantee at first request (minimal 10 % of the total contract amount, increased at sole discretion of Contracting Entity if economical situation is requesting for it), as soon as the contract is awarded to applicant.

Proposed bank guarantors will only be accepted if approved by the FSMA (or by an equivalent body in one of the Members States of the European Union). Applicant will be excluded if all proposed bank(s) are not accepted.

2) The relevant professional risk indemnity insurance must have a minimum coverage of 1 250 000 EUR.

English, French, Dutch

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.3. Additional information

All communication must be performed using electronic means of communication.

Requests to participate must be sent by the date and time as specified under 'IV.2.2) Time limit for receipt of tenders or requests to participate'.

The requests to participate shall clearly mention the candidate's full name, including the company number, VAT number, full address and legal form.

The candidates must fill in the European Single Procurement Document (ESPD) at the following address: <https://ec.europa.eu/tools/espdc/filter?lang=en>

The following parts and questions of the ESPD must be answered:

- Part I (information concerning the procurement procedure and the contracting entity),
- Part II (information concerning the economic operator),

- Part IV (selection criteria): [A], [B], [C] and [D] with regard to the selection criteria mentioned in this Contract Notice; economic operators may not use Part IV, α, regarding the global indication for all selection criteria,
- Part VI (concluding statements).

When filled in, the ESPD should be printed and sent to Fluxys together with the request to participate.

Where the economic operator relies on the capacities of other entities in order to prove its economic, financial, technical or professional capacity, it must also provide the ESPD in respect of such entities.

Fluxys may ask tenderers and candidates at any moment during the procedure to submit all or part of the supporting documents. In any event, before awarding the contract, Fluxys will require the tenderer to which it has decided to award the contract to submit up-to-date supporting documents.

The supporting documents that the tenderers and candidates must be able to provide upon request and without delay are the following:

- Part IV (selection criteria).

The European Commission's FAQ on the ESPD is available at the following address: <https://ec.europa.eu/docsroom/documents/17242/attachments/1/translations/en/renditions/native>
