VI.4.2) Lodging of appeals Precise information on deadline (s) for lodging appeals: Following implementation in to English Law of Directive 207/66/EC ("the Directive"), regulations implementing the Directive and providing for the lodging of appeals shall apply. The Contracting Authority will issue an award decision notice (standstill letter) to tenderers as soon as possible after the award decision has been made. The notice will include the information prescribed by Regulation 32(1) and (2), Public Contracts Regulations 2006 (as amended by the Directive). A similar notice will also be sent to applicants who applied to be included among the tenderers but did not submit an offer, either because they withdrew or were eliminated. In this instance the notice will not include the relative advantages of the successful tender, because the applicant will not have submitted an offer. Applicants who have been eliminated or dropped out at earlier stages of the tender (for example, at pre-qualification questionnaire stage) and have already been informed of the rejection of their application and the reasons for it will not be sent a standstill letter. However, where a decision is taken to exclude an applicant prior to contract award, the applicant will be notified of that decision. In this case the applicant will have two working days from notification of the decision to request additional debriefing and that information will be provided within 10 working days. The Contracting Authority will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. The standstill period will end at midnight at the end of the tenth day after the date on which the Contracting Authority sends the award decision notice (by fax or email). Where the standstill notice is sent by means other than fax or email, the period will end at the latest by midnight at the end of the fifteenth day after the sending date (or earlier, if more than ten days after the date on which the last economic operator received the notice have elapsed) . This period will allows unsuccessful tenderers to seek further debriefing from the Contracting Authority before the contact is entered in to. Any claim for a declaration of ineffectiveness will need to brought

within either 30 days of the contract award notice (where an OJEU Notice was not published and the Contract Award Notice sets out the justification for not doing so) or otherwise six months from the day of contract signature.
