Title: Glucose meters for Østfold Hospital

Description: The aim of the procurement is to enter into a framework agreement for the procurement of glucose meters for Østfold Hospital. There is an option on a service agreement in the equipment's lifetime and there are 7 options for re-use of the tender to voluntary health authorities in Helse Sør-Øst within 4 years of the contract being signed. The stated estimate is the number in the maximum contract period, eight years and is an estimate of information to

the tenderer. The estimated value is not binding for the future contract volume. Increased need may occur with a general increase in procedures performed, unforeseen breakdowns etc. A new beam and somatic building shall also be constructed, which can lead to an expected increase in volume. Such conditions are expected to increase the need between 5 and 40% and the maximum extent of the procurement is therefore equal to the value of the estimated amount stated in the Price Form plus 40%. See the Requirement Specifications and the Price Form for further details.
