### 2.1.6. Grounds for exclusion

Sources of grounds for exclusion: European Single Procurement Document (ESPD), Notice, Procurement Document

Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a enforceable verdict has been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, Involving European Communities or European Union Member States (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's

framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Fraud: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Money laundering or terrorist financing: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Participation in a criminal organisation: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on control of organised crime (EUT L 300 of 11.11.2008, p. 42)

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, of 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Child labour and including other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Breaching obligation relating to payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Breaching obligation relating to payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Sources of selection criteria: Notice, Procurement Document, European Single Procurement Document (ESPD)

Criterion: Enrolment in a trade register

Description of selection criterion: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements Requirement: The tenderer shall be a legally established company. Documented by a Company Registration Certificate or equivalent.

Criterion: Other economic or financial requirements

Description of selection criterion: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Requirement: The tenderer shall have sufficient economic and financial capacity to carry out the assignment - the tenderer shall be credit worthy. Credit worthy with security is not accepted. A/N is sufficient for newly established tenderers. Documentation requirement: • Credit rating of the tenderer, not older than 6 months calculated from the deadline for receipt of tenders. The assessment shall be based on the last known fiscal figures with an indication of how the credit rating has evolved during the past three years. The result of the credit rating must be given as a graded value (letters or numbers) on a defined scale. Newly established tenderers must document the financial capacity to fulfil the assignment by other documentation, such as accounting figures and a bank guarantee.

Criterion: References on specified deliveries

Description of selection criterion: Only for public goods deliveries: In the reference period, the tenderer has carried out the following important deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Requirement: Tenderers shall have experience from similar contracts. Newly established tenderers are sufficient to have experience from similar assignments for the offered key personnel. Documentation requirement: An overview of the most important goods deliveries or services that the tenderer has carried out in the last three years, together with information on the contract's value, date of delivery or execution and the name of the recipient.

Criterion: Measures for ensuring quality

Description of selection criterion: The tenderer utilises the following technical facilities and quality assurance measures and the tenderer's survey and research facility is as follows: Minimum qualification requirements Requirement: Tenderers shall have a functioning quality assurance system/quality management system. Documentation requirement: Description of the tenderer's quality assurance/quality management measures.

Criterion: Supply chain management

Description of selection criterion: The tenderer will be able to use the following management of the supply chain and tracing systems for the execution of the contract: Minimum qualification requirements Requirement: Tenderers shall have a system for managing and tracing the delivery chain. Documentation requirement: Description of the tenderer's system for managing and tracing the delivery chain.

Criterion: Environmental management measures

Description of selection criterion: Tenderers can employ the following environmental management measures in connection with the execution of the contract: Minimum qualification requirements Requirement: Tenderers shall have a system and routines for reducing the most important environmental impact from their activities and shall use environmental management measures throughout the contract period. Therefore it is a requirement that the company has an environmental management system, such as Miljøfyrtårn, EMAS, ISO 14001 or equivalent. If the entire company is environmentally labelled with a type 1 environmental label, such as the Swan Ecolabel or equivalent, this is also approved. Documentation: Tenderers shall complete

the attached Environmental Self-Declaration, as well as enclose a certificate of environmental management system.
