Title: Catering offer at Tveten farm - invitation to a dialogue conference.

Description: The Alna district plans to announce a competition for serving at Tveten farm and invites to a dialogue conference for input on how to facilitate an attractive and sustainable catering place on the farm. Tveten farm is one of the best preserved Aker farms with activity back to the 15th century. The farm has been in private ownership until 2006, when Oslo municipality procured the property and later carried out extensive renovation of five of the farm buildings. The farm is administered by the Agency for Culture in Oslo municipality, with several tenants in different buildings. The Alna district is a tenant in several of the buildings and uses the farm for meeting place functions for different target groups. Tveten farm is an important meeting place for the local community, and there is great commitment to the farm from NGOs. The district also operates leisure clubs and activities for elderly persons at Tveten farm. Other areas on the farm will be leased for stables and share-earth use. At the renovation, the building drengestua was equipped with a professional kitchen and a small café that has been put to use to a small degree. To further develop the tender on the farm, Bydel Alna wants to enter into a contract with a professional actor who can serve offers on Tveten farm. We therefore invite tenderers to a dialogue conference with interested actors at Tveten farm Tuesday 12.5, 1300. In the dialogue conference, the district will account for the framework for a collaboration on serving at Tveten farm, and interested parties will have the opportunity to take a closer look at the kitchen, dining areas etc. on the farm. The meeting will be followed-up with one-to-one meetings with interested parties, before any agreement is announced.
