#### 5.1.9. Selection criteria

Sources of selection criteria: Notice, Procurement Document, European Single Procurement Document (ESPD)

Criterion: Enrolment in a trade register

Description of selection criterion: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Criterion: Other economic or financial requirements

Description of selection criterion: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Requirement 3: Finances. The tenderer is required to be financially solvent, which gives the contracting authority the security that the tenderer will be financially viable throughout the period of the agreement. Documentation requirement: Complete credit assessment/report, not older than 3 months, from a publicly certified credit rating company, with character A (credit worthy) or an equivalent or better rating. The report shall be based on the last known accounting figures. The date must be clearly stated. Companies without a satisfactory credit rating, newly established companies with a credit rating of AN, some foreign companies or companies without reporting obligation to the Brønnøysund Register Centre will not always be able to document that the requirement is fulfilled. In such cases, they will be able to compensate with a satisfactory credit rating which provides an equivalent security for implementation ability. Such alternative documentation shall be included with the tender. If the tenderer has valid reasons for not submitting the documentation requested by the contracting authority, the tenderer can prove his economic and financial position with any other document that the Contracting Authority deems suitable. The contracting authority reserves the right to obtain updated credit assessments from a publicly certified credit rating company.

Criterion: References on specified deliveries

Description of selection criterion: Only for public goods deliveries: In the reference period, the tenderer has carried out the following important deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Requirement 4 - Experience Experience from three similar assignments in the last three years is required. Equivalent assignments means the delivery and sale of medical consumables of a comparable size/extent, minimum NOK 5 million over 1 year, to private or public companies. Documentation requirement: List of the three most relevant assignments in the course of the last 3 years. The description must include a statement of the contract's value, date and recipient (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description.

Criterion: Certificates by independent bodies about quality assurance standards

Description of selection criterion: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements? Minimum qualification requirements Requirement 5 - Quality Management System A good and well-functioning quality management system is required for the requested services. The concept of a quality management system is that i.a. the tenderer has a awareness of quality objectives, planning, securing, handling of deviations, quality improvement and data security. Documentation requirement: An account of the tenderer's quality management system, or a copy of a quality management certificate in accordance with ISO 9001:2015 or an equivalent certificate.

Criterion: Certificates by independent bodies about environmental management systems or standards

Description of selection criterion: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards? Minimum qualification requirements Requirement 6 - Environmental management system Systems and procedures are required that ensure low

environmental impact when performing the delivery. The environmental management system must i.a. ensure continual improvement of: • The organisation's competence in the environment and safety. • the performance's climate impact Documentation requirement: An account of the tenderer's environmental management system, or a copy of a certificate for an environmental management system in accordance with ISO 14001:2015, Miljøfyrtårn ,EMAS or equivalent certificate.
