VI.3. Additional information

A. Several tenderers may form a bidding consortium (to be submitted as form Annex A.7). In the case of a bidding consortium, all documents listed under section III.1.1) must be submitted by all members of the bidding consortium. The documents listed under section III.1.2) and section III.1.3) may be submitted for the bidding consortium as a whole.

B. A tenderer/bidding consortium may provide for the execution of parts of the contract by subcontractors within the meaning of section 36 VgV. In this case, the tenderer/bidding consortium shall specify the parts of the contract which it intends to subcontract to other enterprises. In addition, the tenderer/bidding consortium must name and address the intended subcontractors in the tender (to be submitted as form Annex A.8) and submit the documents referred to in section III.1.1) for the respective subcontractor. The awarding authority reserves the right to request the submission of a letter of commitment (Verpflichtungserklärung) within the meaning of section 36 (1) VgV before awarding the contract. If the tenderer/bidding consortium intends to use the capacities of subcontractors with regard to economic and financial as well as technical and professional capacity, C) shall also apply.

C. A tenderer/bidding consortium may, with regard to the required economic and financial as well as technical and professional capacity, make use of the capacities of other companies — including subcontractors within the meaning of section 36 (1) VgV (cf. section 47 VgV). In this case, the tenderer/bidding consortium must name and address these other enterprises (third parties) in the tender (to be submitted as form Annex A.9) and submit all of the documents specified in section III.1.1) for these third parties. The tenderer/bidding consortium must submit the documents listed under section III.1.2) and section III.1.3) for these third parties to the extent that the tenderer/bidding consortium makes use of the capacities of the third party with regard to the required economic and financial and/or technical and professional capacity. Furthermore, the tenderer/bidding consortium must submit a signed declaration of commitment (to be submitted as form Annex A.10) from each of the named third parties with the tenderer's offer.

D. The tender must be accompanied by a signed self-declaration that the prerequisites for exclusion pursuant to Section 19 (1) MiLoG (to be submitted as form Annex A.11) of the tenderer or each member of the bidding consortium are not met. The contracting entity reserves the right to request third-party certification of the absence of grounds for exclusion under (1) to (3) above if doubts arise as to the accuracy of the self-declarations and to request additional information from the Central Trade Register pursuant to Section 150a GewO (Trade Regulation Act) or the Competition Register at any time.

E. In order to safeguard the contractor's business and trade secrets, the contract value will not be disclosed.

VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

According to Article 160, Section 3 of the German Act Against Restraint of Competition (GWB), application for review is not permissible insofar as:

1) The applicant has identified the claimed infringement of the procurement rules before submitting the application for review and has not submitted a complaint to the contracting authority within a period of 10 calendar days; the expiry of the period pursuant to Article 134, section 2 remains unaffected.

2) Complaints of infringements of procurement rules that are evident in the tender notice are not submitted to the contracting authority at the latest by the expiry of the deadline for the application or by the deadline for the submission of bids, specified in the tender notice.

3) Complaints of infringements of procurement rules that first become evident in the tender documents are not submitted to the contracting authority at the latest by the expiry of the deadline for application or by the deadline for the submission of bids.

4) More than 15 calendar days have expired since receipt of notification from the contracting authority that it is unwilling to redress the complaint.

Sentence 1 does not apply in the case of an application to determine the invalidity of the contract in accordance with Article 135, Section 1 (2). Article 134, Section 1, Sentence 2 remains unaffected.
